

# MEMORANDUM

2

**TO:** UTILITIES ADVISORY COMMISSION

**FROM:** UTILITIES DEPARTMENT

**DATE:** JUNE 6, 2007

**SUBJECT:** UTILITIES QUARTERLY REPORT: WATER, GAS, ELECTRIC, FIBER  
AND FINANCIAL ISSUE UPDATES

---

These quarterly updates on water, gas, electric, fiber and financial issues are for the Commission's information only.

**EXECUTIVE SUMMARY:**

This quarterly update has been prepared to keep the Commission apprised of the major issues that are facing the water, gas, and electric utilities.

Some items that have appeared in past quarterly reports have been changed in the interest of conserving staff resources. For example, the impact measures that had been attached to the quarterly water, gas and electric updates will now only appear once per year in the September UAC report showing the results for the entire fiscal year. Statistical summary reports on customer participation in the Public Benefits programs will also be in the September UAC report. In addition, the fiber issues financial information has been moved to Attachment D – financial information update.

**ATTACHMENTS:**

- A. Quarterly Water Issues Update
- B. Quarterly Gas Issues Update
- C. Quarterly Electric and Fiber Issues Update
- D. Quarterly Financial Information Update

**REVIEWED BY:** Tom Auzenne, Assistant Director, Customer Services  
Paul Dornell, Assistant Director, Operations  
Tomm Marshall, Assistant Director, Engineering and Resource  
Management

**APPROVED BY:**
