Embarcadero Shuttle

Welcome to Palo Alto's Free Shuttle

The Embarcadero Shuttle runs weekdays at commute hours. It is coordinated with the Caltrain schedule, allowing Palo Alto residents and employees to leave their cars at home. It serves employers in the East Bayshore area, residents in the Embarcadero Road corridor, students at Palo Alto High and the Palo Alto Medical Foundation. A special morning trip serves Jordan Middle School.

The **Crosstown Shuttle** connects residential neighborhoods, senior residences and services, libraries, recreation centers, commercial districts and Caltrain. See separate Crosstown brochure for details.

How to ride the shuttle

The Palo Alto Shuttle is free and open to everyone. Bus stops are marked with a "Palo Alto Shuttle" sign, a sticker on a regular VTA bus stop sign or a "Shuttle" decal on a stop sign pole. Shuttle stops are marked on the map below. Please stand at one of these locations. When you see the shuttle coming, wave at the driver to indicate you want a free ride.

When you get on the bus, tell the driver where you want to be let off. It is helpful to remind the driver just before you reach your stop by saying, "Next stop, please!"

Shuttle service to Caltrain is made possible in part by generous grants from the Bay Area Air Quality Management District's Transportation Fund for Clean Air and the Joint Powers Board. The City of Palo Alto invites corporate partnerships to help support and expand the Palo Alto Shuttle.
