

May Your Holiday Be Brightened BY ENERGY-EFFICIENT CHEER

Trade in your old lights for new, energy efficient LED (light emitting diode) bulbs. Bring in a string of old, working incandescent lights, and we'll give you a free box of 100 LED ENERGY STAR® holiday lights.*

Why switch to ENERGY STAR LED holiday lights this year?

They can last up to 10 times longer than traditional incandescent strands, and use 75% less electricity, saving you money.

Features of LEDs:

- Cool to the touch, reducing the risk of fire.
- No moving parts, filaments or glass, so they're much more durable and shock-resistant.
- Available in a variety of colors, shapes and lengths.
- Guaranteed to perform with a warranty.
- Independently tested to meet strict lifetime and electrical requirements.
- Subjected to weathering tests if labeled for outdoor use.

How do I get my free box of lights?

Anytime during December, bring the completed coupon below, along with your old string of working incandescent lights to:

**City Hall — 3rd Floor
Utility Marketing Services
250 Hamilton Ave. Palo Alto**

**Mondays through Thursdays,
9:30am – 5:30pm**

**limit one box per customer account*

What if I need more than one string?

Most Palo Alto hardware and lighting stores, as well as all the major home product chains, carry ENERGY STAR approved LED lights. It's a smart investment that will reduce your energy usage and save money throughout the holiday season, year after year.
