San Francisquito Creek Trail

3.2 miles / 1-2.5 hours. Easy, flat terrain, can be extremely muddy during rainy season. Mixed terrain trail bed includes decomposed granite, crushed oyster shell, paved sections, and wood boardwalk.

Boardwalk Trail

.2 miles (one way) / 5 min. Best area to view California clapper rail. Easy, flat terrain; mixed terrain trail bed includes gravel levee and wood boardwalk.

Duck Pond Loop Trail

.7 miles / 10-15 min. Dogs prohibited. Easy, flat terrain; crushed oyster shell and decomposed granite trail bed; no obstacles.

Renzel Trail

.9 miles / 20-25 min. Trail passes along the Emily Renzel Wetlands and connects the Adobe Creek Loop Trail with the San Francisquito Creek Trail. Easy, flat terrain; paved.

Hilltop Trails

1.0 miles / 10-30 min. Bay views, wildlife, wildflowers, landfill conversion process. Hilly terrain/trails are steep in places. Trail bed is decomposed granite and crushed oyster shell.

Marsh Front Trail

1.0 miles / 25-30 min. Descriptive natural history panels. Easy, flat terrain; crushed oyster shell and decomposed granite trail bed; no obstacles.

Adobe Creek Loop Trail

5.6 miles / 2-3 hours. Bay views, bird life, converted landfill. Easy, flat terrain; trail mostly on bay-side gravel levees and pavement.
