

Resources and Services for Teachers

Welcome! With your free library card you can not only check out materials but also over 30 comprehensive on-line databases that are useful for teachers and for students of all ages.

Library cards are available to all California residents.

To sign up on-line, go to: www.cityofpaloalto.org/library.
Click on: *Apply for a Library Card*.

For All Teachers

- ◆ The School Liaison Librarian is available to assist with special projects and to visit your classroom, school library and school events.
- ◆ The Library's catalog is open 24/7. You can search the catalog, place requests and renew items.
- ◆ There is a special web page at www.cityofpaloalto.org/library. Click on *Schools*. Here you may:
 - Sign up to receive *the Liaison's List*, a short monthly newsletter.
 - Enter a monthly teachers' drawing for prizes.
 - Find on-line *Assignment Alert* forms to help the Library prepare for your students' research needs.
 - Sign up for class visits.
 - Read interesting articles and check out our recommended links to great web sites for teachers.

Resources for Elementary School Teachers

- ◆ Age-appropriate research articles available at www.cityofpaloalto.org/library. Click on *Resources Online* and scroll down to **Homework Help, K–5th grade**. These are not web sites accessible through Google or other search engines; they are reference databases delivered via the Internet and accessed with your library card.
- ◆ Kids' web page, blog and book review wiki.
- ◆ E-books. Check out the list on the *Resources Online* page. *California Missions E-books*, *Tumblebook Library* and *Bookflix* are especially for young students.

Resources for Secondary School Teachers

- ◆ Full-text magazine, newspaper and research articles available at www.cityofpaloalto.org/library. Click on *Resources Online*. These are not web sites accessible through Google or other search engines; they are reference databases delivered via the Internet and accessed with your library card.
- ◆ Teens' web page, blog and book review wiki.
- ◆ E-books. An extensive collection of digital books and music – go to the *Resources Online* page.
