

Birthday Party Agreement

Number of Guests

Please bring 2 adults who can stay throughout the party.

Please do not invite extra guests. Birthday parties are limited to 15 children, due to available space, available equipment, and our desire to provide a quality experience for your child and guests. In larger groups, children have to wait a long time for a turn or miss out on activities. We limit the number of guests to ensure that everyone has fun.

Age of Guests

Kindergarten and up: Zoo Party or Crazy Kinetics Party

If your child is turning 5 and is enrolled in kindergarten and if the guests are also 5 and in kindergarten, we can provide a Zoo Party or the Crazy Kinetics Party.

If your child and his/her guests are in first grade or above, we can provide Zoo Party or the Crazy Kinetics Party too.

Setting Up

You can begin bringing in food and decorating the room 30 minutes before your party begins. You need to remove food and decorations within 30 minutes of the end of your party so that we can make the room available for the next party or program.

Food and Plates

You may bring your own food for your guests. We have a refrigerator and freezer to store your food on the day of the party. We are unable to heat food. You can also have food delivered. (You set it up directly with the restaurant. Ask for a delivery time that's about 1 hour after your party begins.)

Please bring your own plates, cups, and utensils. We will cover the tables with a combination of paper and cloth tablecloths, but you are welcome to bring your own tablecloths, if you prefer.

Decorations

You may bring streamers, signs, and decorations that can be taped to the walls.

For the safety and comfort of our Zoo animals and other visitors, do not bring balloons, noisemakers, confetti or piñatas.

The Palo Alto Junior Museum and Zoo is part of the Arts and Sciences Division of the Community Services Department of the City of Palo Alto.
