NEW BUSINESS

Public Hearings

1. **329 Lincoln Avenue [12PLN-00210]**: Application by Talon Design Group, on behalf of Scott and Nicole Hawkins, for Historic Resources Board review and recommendation regarding an extensive proposed redesign, enlargement, and a new two-story rear addition, of a Colonial Revival residence, originally constructed circa early twentieth century, that is located in the Professorville National Register Historic District and in the R-1 (10,000) zone district. The existing house is defined in the Professorville National Register Nomination Form as a “nonconforming intrusion detracting from the integrity of the district” whose date is “indeterminable due to alterations.” The redesign of the house would be in a traditional Colonial Revival style similar to the style of the existing house. The project would require Individual Review and a Home Improvement Exception for 84 square feet of additional floor area over the maximum allowed for the site. **This item was continued to this date from the HRB agenda of May 1, 2013.**
2. **505 Embarcadero Rd [12PLN-00206]**: Request by Heather Trossman, on behalf of Nicholas Jittkoff and Ty Ashford, for Historic Resources Board review and recommendation regarding proposed restoration, alteration and addition to a residence listed on the City’s Historic Inventory in Category 4 and located in the Professorville Historic District. The project includes Individual Review for a second story addition of more than 150 square feet, a Home Improvement Exception for a small two-story encroachment in the rear yard, and a fence variance. **This item was continued to this date from the HRB agenda of May 1, 2013.**
