

New Public Records Request Tracking System

The City of Palo Alto has launched a new **Public Records Request** tracking system

This system provides:

- Acknowledgement to submitter that request was received
- Simple request tracking for the public and City staff
- Easy access to all previous requests by submitter and responsive records

For further information visit:

http://www.cityofpaloalto.org/gov/depts/clk/public_records_request.asp

or Contact the City Clerk's Office
