## HIGHLIGHTS THIS WEEK

### [Our Palo Alto 2030 The Summit](#)

Do you have a vision for Palo Alto's future? The City is currently in the process of updating its Comprehensive Plan, the City's overarching planning document that presents the community's vision in sections that address land use, transportation, housing, the natural environment, community services, and business and economics.

We want to hear your thoughts. Join the conversation about the future of our city at "[Our Palo Alto 2030 The Summit](#)" on **May 30, 8:30am-6 pm**, at the **Mitchell Park Community Center**. We will be kicking off the next phase of the Comprehensive Plan update and want your help to craft solutions on the critical issues facing our City now and into 2030. The Summit is **free** and open to the public.
