

Starting March 1, 2016

RETAILERS MAY NOT SELL OR DISTRIBUTE*:

Foam Ice Chests

Foam Foodware

**Foam Packaging
of Any Kind**

Foam Egg Cartons

Plastic foam breaks into one of the most common forms of litter and pollution that blows or flows into streets, creeks and San Francisco Bay. Opt for reusable, recyclable and compostable products instead.

TO LEARN MORE visit www.cityofpaloalto.org/plasticfoam or contact the City of Palo Alto Public Works–Watershed Protection at **650.329.2122**, cleanbay@cityofpaloalto.org.

** Municode 5.30 Plastic Foam and Non-Recyclable Food Service Containers and Packaging Items*
