## HIGHLIGHTS THIS WEEK

### Cubberley Community Day

Learn about volunteer activities in the Palo Alto community at our [2nd Annual Cubberley Community Day](#) on Saturday, March 19, at the Cubberley Community Center. We will have tree planting from 9am-noon and food, kid's activities, a bake sale, and performances from 11am-1pm. This event is free and open to the public.

## The Big History of Nature

Curious about the history of the cosmos, Earth, life, and humanity? ["The Big History of Nature"](#), led by chemistry professor John Hostettler, offers a big picture of natural events from the Big Bang to the formation of the Earth and from the evolution of life to human prehistory. Join us on March 15 from 7pm-9pm in the Midtown Room at the Mitchell Park Community Center for the first of this free series of five presentations. This series runs from March 15 to April 12.

## Teen Grant Program

Do you know a high school student with an idea that can benefit the community? We can help make it happen with the [Bryant Street Grant Program](#). To apply, teens must fill out the [application](#) and email it to [BSGF@cityofpaloalto.org](mailto:BSGF@cityofpaloalto.org). Once it is received, our Teen Program Specialist will schedule a meeting to learn more about the project. No idea is too big or too small!

## Rapunzel

Come to Palo Alto Children's Theatre on March 19-20 for RAPUNZEL in the Playhouse, a very special, audience-interactive experience designed for you and your children, ages 2 to 6, where local high school performers bring beloved fairy tales to life on the Magic Castle stage. Performances are on Saturday at 10am and 12pm, and Sunday at 12pm.

Purchase tickets at 650-463-4970 or online at [www.cityofpaloalto.org/childrenstheatre](http://www.cityofpaloalto.org/childrenstheatre)

## Wildflower Walk

Enjoy a wildflower walk with Ranger Kathleen Jones on Saturday, March 19, from 10am-12pm in Foothills Park to see the wonderful variety of wildflowers, and how different they are in the woodlands, chaparral and grasslands. Be prepared for outdoor conditions. Heavy rain cancels. For ages 7 and up.
