

UPGRADE DOWNTOWN

SAFE, RELIABLE INFRASTRUCTURE & STREETS

Upgrade Downtown is a City of Palo Alto multi-year infrastructure and street improvement project that will include utility pipe replacements, road repaving, traffic signal enhancements and a new downtown parking garage. The project will provide critical, preventative upgrades to core infrastructure so that we can continue to provide safe, reliable and cost effective services to our community.

UPCOMING OPEN HOUSES

- **Friday, June 9:** 4 p.m. to 6 p.m. at Johnson Park
- **Tuesday, June 13:** 8 a.m. to 9:30 a.m. in the Community Room at City Hall
- **Thursday, June 15:** 11:30 a.m. to 1 p.m. at Lytton Plaza

We are holding a series of open houses on the Upgrade Downtown project where staff from each city department will be available to answer questions.

STAY INFORMED

The plan for Upgrade Downtown is designed to proceed block by block in order to minimize impact on residents, businesses, and transportation.
