Monthly City-paid premium contributions for a retiree-selected PEMHCA optional plan will be made in accordance with the Public Employees' Medical and Hospital Care Act Resolution for employees who retire on or before December 31, 2007. Effective March 1, 2009, for an employee retiring on or after that date, the City will pay up to the monthly medical premium for the second most expensive plan among the existing array of plans during the Agreement term. Effective April 1, 2015, for an

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

employee retiring on or after that date, the City contribution shall be the same contribution amount it makes for active City employees. The parties mutually agree that the benefits provided in this paragraph for employees retiring on or after April 1, 2015 will fluctuate from time to time based on the City's contributions to health care for active employees. Accordingly, Association members who retire on or after April 1, 2015 and have not elected to participate in the Retirement Healthcare Benefits provided in Government Code section 22893, do not maintain a vested interest in any particular contribution by the City above the amount required under the PEMHCA.

- (b) Retiree Medical Coverage - Employees who voluntarily elect to participate in Government Code section 22893, and all Employees hired on or after January 1, 2006:

The CalPERS vesting schedule set forth in California Government Code § 22893 will apply to all Association members hired on or after January 1, 2006, and employees hired prior to January 1, 2006 who voluntarily elect to participate in the Retirement Healthcare Benefits provided in Government Code § 22893.

Under this law, an employee is eligible for 50% of the specified employer health premium contribution after ten (10) years of service credit, provided at least five (5) of those years were performed with the City of Palo Alto. After ten (10) years of service credit, each additional year of service credit will increase the employer contribution percentage by 5% until, at twenty (20) years' service credit, the employee will be eligible upon retirement for 100% of the specified employer contribution. However, the maximum contribution for family members will be 90% of the specified employer contribution. Notwithstanding any other term of this section, the City of Palo Alto's health premium contribution for employees hired on or after January 1, 2006, and employees who voluntarily elect to participate in Retirement Healthcare Benefits provided by Government Code § 22893, will be the minimum contribution set by CalPERS under California Government Code § 22893 based on a weighted average of available health plan premiums.

One complete uniform consists of: (1) three pair of trousers, (2) three short-sleeved shirts with patches and zippers if desired, (3) three long-sleeved shirts with patches and zippers if desired, (4) three cotton or two synthetic fiber turtleneck shirts, (5) hat, (6) duty jacket with patches, (7) dress jacket with patches, (8) necktie, and (9) rain gear.
- (b) At the time of initial employment, every sworn employee will be issued one complete uniform. Uniform items will be replaced on an as-needed basis subject to verification by management.
- (c) The City shall provide uniform cleaning for sworn representation unit personnel.

- (e) The City shall reimburse employees for the full cost of job-related boots upon verification of such purchase by the employees. The City will make the reimbursement only upon proof that the previous boots have become unserviceable due to wear or damage. (Job-related boots shall mean well-constructed, high topped boots that provide full ankle and foot support, which are selected from list agreed to by Management and the Association.)

Employees are responsible for the full cost of any low-top, black shoes that are worn with the uniform.

Section 22. Work Schedule

(a) Field Services Division 4/11 Schedule

The patrol schedule will have two sides, “A-Side” and “B-Side.” There will be ten patrol teams each supervised by a Sergeant *or* Acting Sergeant under the management of patrol lieutenants. Five Patrol teams will work an “A” schedule and five Patrol teams will work a “B” schedule.

Patrol officers, agents, and sergeants will report for duty promptly at the designated times for each team. Patrol team schedules are as follows.

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

Patrol Division Team Schedules

A-Side		B-Side	
Team 1A	0500 to 1600	Team 1B	0500 to 1600
Team 2A	0700 to 1800	Team 2B	0700 to 1800
Team 3A	1400 to 0100	Team 3B	1400 to 0100
Team 4A	1800 to 0500	Team 4B	1800 to 0500
Team 5A	2000 to 0700	Team 5B	2000 to 0700

Team's 2A, 3A, and 4A are designated as field training teams.

(1) 4/11 Work Schedule

The work schedule will be based on an eight (8) day cycle with each employee working four (4) consecutive days on and having four (4) consecutive days off. The eight (8) day cycle will advance the employee's workdays and days off within the calendar week one day every cycle. The overall cycle repeats itself every eight (8) weeks.

Over the course of a year (26 pay periods) each employee works 182 eleven (11) hour regular patrol shifts totaling 2002 hours, 78-hours short of the required fulltime equivalent work year of 2080 hours.

In the Patrol Division and with the approval of the Patrol Captain, a maximum of two (2) paired "fixed days" schedules (4 Employees) may be established, at the employees' request. The regularly scheduled hours of work for such a position must cover the days off of the position with which it is paired. For example, one position could have Sunday, Monday, and Tuesday off while the other could have Thursday, Friday, and Saturday off. It shall be the responsibility of employees interested in a paired fixed day schedule to identify another employee who is willing to participate in the paired arrangement. If either employee or the Department desires to terminate a paired schedule once it is in effect, the employee or Department, as applicable, must give the other affected parties to the arrangement at least one (1) full pay period advance written notice. Resumption of the employees' participation in the normal rotation shall begin on the first day of the

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

second full pay period following the date notice is delivered to the other parties.

Employees on a fixed schedule will be required to attend the designated CPT (Continued Professional Training) training days either on their regularly scheduled workday or on a day off. If they attend training on their regularly scheduled day off, they will be compensated by receiving an adjusted day off within the same pay period.

Employees requesting a schedule different from the rotating 4/11 must submit their request in writing prior to the team selection process. The requests will only be considered on an extreme hardship basis

The following hours and minimum staffing levels will be observed on both sides of the Patrol Division. During team overlaps, the combined staffing levels of the teams will serve to meet minimum staffing levels.

0700-2400 hours	1 Lieutenant/Sergeant 1 Sergeant/Agent 6 Officers/Agents	Watch Commander Supervisor
0001-0300hours	1 Lieutenant/Sergeant 1 Sergeant/Agent 5 Officers/Agents	Watch Commander Supervisor
0300- 0700 hours	1 Sergeant 5 Officers/Agents	Supervisor

Under routine circumstances, personnel will be able to receive time off as long as minimum staffing numbers remain available for duty. Management may deny time off to maintain staffing greater than the minimum numbers outlined above. It's anticipated this will only occur in special situations where greater staffing is needed.

(2) Designated CPT Training Days within the 4/11 Schedule:

The 4/11 Schedule will have designated CPT training days and flexible training hours to make up the seventy-eight (78) hours necessary to complete a full work year. A training bank will be created for each employee on the 4/11 Schedule to track and monitor the use and balance of the 78-hours. The training bank and its use are outlined in the next section.

Management will determine the number of designated CPT training days and

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

stagger them throughout the year in order to avoid overtime insofar as possible.

Designated CPT training days will be scheduled prior to the beginning of each shift year. Unless otherwise determined by the Department, there will be five (5) designated CPT training days each year. These training days will vary in duration but will in most cases be approximately eight (8) to ten (10) hours in duration. The exact number of designated CPT training days, their duration in hours, and the remaining flexible training bank time will be determined prior to shift change and vacation selection. If it's anticipated that the number of training days will vary in any given year, Management will notify and, on request, meet with PAPOA to consider any concerns the Association may have.

Patrol personnel will not be permitted to take vacation on any one of these pre-designated CPT training days. The Division Captain may authorize an exception based on compelling circumstances.

The course content and training provided on the designated CPT training days can vary from year to year to meet current and changing training needs. It will be the responsibility of the Personnel and Training Division to schedule and coordinate the training on designated CPT training days. Training days may be scheduled during daytime and/or nighttime hours to accommodate training needs.

Sworn employees not on the 4/11 Schedule will be required to attend designated C.P.T. training days. Each of the training days will be broken into two (2) single day sessions for Patrol (A side and B side). It is anticipated that approximately fifty percent (50%) of the non-4/11 employees will attend one (1) of the two (2) days during each of the training cycles.

If the nature and/or complexity of the training does not allow for a larger groups, multiple sessions can be scheduled on additional training days.

(3) Flexible Training Hours

This schedule results in seventy-eight (78) hours that will be made up during the year through designated CPT training days and flexible training time. It is anticipated that approximately fifty (50) hours will be set aside each year for designated CPT training days (exact number to be determined each year). Once the hours set aside for designated CPT training days is established, the remaining hours shall be used for flexible training as follows.

Employees on the 4/11 Schedule attending training on a day off or outside their

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

normal shift shall use their available Flexible Training Bank hours (Non-CPT Hours) prior to using overtime. All Flexible Training Bank hours must be used prior to earning overtime. The only limitation on the use of these training hours is that no employee can exceed the one hundred seventy-one (171) hour FLSA limit in any twenty-eight (28) day cycle. The combination of regular work shifts, designated CPT training days, and flexible training time cannot exceed one hundred seventy-one (171) hours in any FLSA Cycle. Any hours worked over one hundred seventy-one (171) in a twenty-eight (28) day cycle are considered premiums hours and must therefore be paid at the overtime rate.

The following is a list of some of the forms of training that could use hours from the bank;

SWAT	DRO	Range Masters
Quarterly Shoots	FTO Meetings	K-9
Sergeant’s meetings	FTO School	11550 School
Radar School	Supervisor school	All other Training

If an employee doesn’t use his or her flexible training hours during the year, he or she will be required to make up the difference by either working extra shifts, partial shifts or by using vacation, compensatory time off, and/or holiday time from one of their banks at the end of each fiscal year. The Watch Commander and Supervisor will work with employees to schedule extra shifts or use vacation, holiday or compensatory time off balances. These hours are hours the employee is being compensated for during the normal twenty-six (26) pay periods. The employee must work the hours on a straight time basis or use vacation, holidays or compensatory time off for the compensation received throughout the year.

(4) Other Training (not covered by the flexible training bank)

The 4/11 Schedule significantly impacts designated CPT training days, shift training, and to some extent training compensated under the flexible training hours. The following guidelines should be followed when attending training not covered by the flexible training hours. All training bank hours, adjusted time off associated with training, and/or overtime associated to training shall be approved in advance by the employee’s watch commander or supervisor.

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

One full day of training on a day off.	The employee will either receive overtime for the number of hours at training or adjustment for one patrol shift. Adjustments will be documented in the City timekeeping system.
One full day of training on a day on.	The employee will be adjusted off their patrol shift for the day. Adjustments will be documented in the City timekeeping system.
More than one day, but less than a week.	For each full day of training, the employee will be adjusted off one patrol shift. Adjustments will be documented in the City timekeeping system
Partial day of training on a day off.	Overtime or adjustment for the number of hours actually in training. Adjustments will be documented in the City timekeeping system.
Partial day of training on day on.	The employee will be adjusted from duty for the time of the training and be expected to work the remainder of their shift. Adjustments will be documented in the City timekeeping system.
A four (4) or five (5) day (week) training session that doesn't exceed forty-four (44) hours.	Whenever possible, and depending upon where the employee is in their twenty-eight (28) day cycle, the employee will be adjusted off the patrol schedule when attending four or five day training sessions. The employee will be adjusted from four (4) eleven (11) hour shifts as compensation for attending the course. The four (4) adjusted days will be as close to the days the employee attended training as possible. Employees will not receive overtime under this situation unless the total time training exceeds forty-four (44) hours. Adjustments will be noted in the comment section of the timekeeping system.

(5) Assignments of Sworn Personnel on the 4/11 Schedule

Each year assignments are made for management staff for the coming fiscal year. Subsequent to those assignments, officers, agents, and sergeants apply for specialty positions. At the conclusion of those specialty selections, the Patrol Team Selection process begins. Each year, the following process will be used for patrol

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

team selection.

Field Services Division Shift Assignment Process:

Field Services sergeants, agents, and officers will select their work team based on the following criteria.

- a. **Sergeants**, in order of seniority, shall select one of the ten patrol teams. Sergeants may select any open team with the exception of those teams designated as Field Training teams. FTO Sergeants, in order of seniority, will select one of the designated FTO teams.
- b. **Field Training Officers/Agents**, in order of seniority, shall select one of the slots open and designated as FTO slots on one of the three FTO teams. The following teams have been pre-designated as training teams: Team 2A, Team 3A, and Team 4A.
- c. **K-9 Officers/Agents** – K-9 officers/agents will generally select one of the night shift teams: Teams 4 and 5. Selections will be based on rank and seniority. Only one K-9 will be allowed per team and K-9's will be evenly split between the two sides

Any exception to these assignments must be requested and approved by the Field Services Coordinator **prior to the start of the selection process.**

- d. **Agents**, in order of seniority, shall select any of the open agent's slots remaining on any of the patrol teams. A minimum of three (3) agents will be assigned to the A-Side and a minimum of three (3) agents will be assigned to the B-Side. If a greater number of agents are assigned to patrol, management will evenly designate agent's slots insofar as possible to as many of the patrol teams as possible with the goal being to have one agent on each patrol team.
- e. **Officers**, in order of seniority, shall select any remaining slot available on any of the patrol teams.
- f. **Probationary Officers** - May be assigned to teams at the discretion of the Field Services Division Coordinator. These assignments will be made based on the developmental needs of the new employee, the staffing needs of the organization, and in a manner that minimizes the loss of prime bidding slots for more senior officers/ agents.

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

Additional Team Selection Guidelines

Prior to the selection process, management shall determine the number of agents, and officers assigned to each team.

Additionally, management will determine which teams are available for selection by K-9 Officers/Agents, Field Training Officers/Agents, Field Training Sergeants, and probationary employees shall be subject to administrative assignment.

In the spring of each year, all employees participating in the patrol team selection process will receive a schedule identifying available slots, the process for team selection, and a date and time for the employee to make their selection Team Selection Reservations – Once Officers/Agents/Sergeants select a team, they will be guaranteed that team even if they are unable to work that team at the start of the shift year due to special assignment, internship, leave of absence, disability, illness etc.

Officers, Agents and Sergeants may not remain in the same time slot for more than two consecutive years.

Team change request will be considered with the approval of management.

Any request for an anticipated change to the assignment of sworn personnel shall be routed to the Field Services Division Coordinator prior to the selection process.

(6) Vacation Selection

Concurrent Vacation Authorization – Officers and Agents

Patrol Division – Four (4) slots are authorized on the A-Side and four (4) slots are authorized on the B-Side. It is anticipated that this would equate to two (2) slots on night shift (Teams 3, 4, and 5) and two (2) slots on day shift (Teams 1, and 2) for each side.

Any exceptions to these rules may be made by the Field Services Division Coordinator based on special circumstances.

Concurrent Vacation Authorization - Sergeants

Patrol Division – Two (2) slots are authorized in patrol on the A-Side and two (2) slots are authorized in patrol on the B-Side. It is anticipated that this

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

would equate to one (1) slot on the night shift (Teams 3, 4, and 5) and one (1) slot on the dayshift (Teams 1 and 2) for each side. Exceptions to allow two (2) sergeants vacation at the same time for special circumstances may be made by the shift lieutenant. Other exceptions to this rule may be made by the Field Services Division Coordinator.

a. The A-side and B-side will have separate vacation signups. It's also anticipated that the dayshift and nightshift will have separate signups. For agents and above, selection will be based on rank and time in rank. Personnel having the greatest tenure in rank will have priority. For officers, selection will be based on seniority. If seniority is equal, low badge number shall have priority.

b. Sergeants will have a separate signup sheet from agents and officers. During the initial sign up sergeants will have two guaranteed slots per side, one (1) on day shift and one (1) on night shift. Agents/officers will have four (4) guaranteed slots per side, two (2) on day shift and two (2) on night shift.

Vacation Selection Process: Vacation selection will occur within a few weeks of the team selection process each spring. Selections will take place on two days, one day for the A-Side and one day for the B-Side. Sergeant, agents, and officers will be given time slots to come in, call in, or may submit in advance written instructions on choice for vacation weeks. The selections will be made based on rank and seniority. Both sides agree to monitor the outcome of the process and enter into a mutual agreement to continue or discontinue the process.

(7) Time Keeping and Payroll

All employees working under the 4/11 schedule will work eleven (11) hours a day, four (4) consecutive days a week. These eleven (11) hours will be entered in the timekeeping system on the day they are worked and/or prior to pay period payroll deadlines. Employees attending one (1) of the designated CPT training days will enter the hours of training on a "training timesheet" and enter the time in the timekeeping system. Employees using hours from their flexible training bank shall complete a "training timesheet" and enter the time in the timekeeping system.

Employees working the 4/11 Schedule will not receive overtime compensation for hours worked under the following conditions.

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

- Hours worked as part of a regular 11-hour work day.
- Hours worked on a designated CPT training days.
- Hours associated to training where hours from the flexible training bank could be used.
- Non-Mandatory training where adjustments from the patrol schedule are possible.

Overtime shall be paid for “Mandatory” training once training bank hours have been exhausted.

Overtime shall be paid for “Mandatory” meetings that fall outside the specialty exemption listed below.

Participation in department specialties including training, meetings, and other activities is not considered a mandatory activity when it comes to overtime compensation. Wherever possible, employees participating in department specialties and other non-mandatory activities will be adjusted off the patrol schedule for these activities. Schedule adjustments will occur as close to the activity outside the employee’s normal work schedule as possible and within the same FLSA Cycle.

Schedule adjustments for personnel working nights: All personnel attending a full day of training on a work day will be adjusted off the patrol schedule for their work shift that day. In addition to being adjusted off any shift that starts on the day the training occurs, employees working Teams 3, 4, and 5 the night before the training will be adjusted off the night before as follows. If the training is all day starting in the morning hours, these adjustments will apply.

Team 3:	Adjusted off at 2200 hours.
Teams 4 & 5:	Adjusted off the entire shift.

If a night shift employee is scheduled for a full day of “Mandatory” training on the morning of his or her first day off, the same adjustments listed above will apply. In addition to the necessary adjustment, employees will receive compensation for the training hours through the use of training bank hours. When training bank hours are exhausted, the employee will receive overtime.

The time keeping system entries: Each employee must enter his or her time in the timekeeping system that accurately reflects the hours he or she works. When schedule adjustments are made, overtime is worked, or training bank time is used, employees must make appropriate notes in the comment section of the timekeeping

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

system. Supervisors and timekeepers may complete the timekeeping system entries when employees are unavailable due to illness or other situations. Employees working the 4/11 Schedule shall also sign the daily schedule.

Managers and supervisor will approve time entries made in the time keeping system. Managers and supervisors will pay special attention to the use of training bank time and overtime. Time entries should be reviewed for regular hours and training hours that may exceed the FLSA guideline of 171 hours in a 28 day cycle.

With the 4-day on 4-day off rotation, employees will work either 66 or 88 hours in each pay period. The timekeeping system will shift adjust the appropriate number of hours into (+14) and out of (-8) the employees bi-weekly totals so each employee receives compensation for 80 hours. Regardless of the number of hours worked under the FLSA exemption, an employee will be compensated for 80 regular hours every bi-weekly payroll cycle.

These shift adjusted hours (-8 or +14) will be added to or taken away from the timecard at the appropriate day/night shift differential rates for each employee. As an example, if an employee's normal shift is paid at 75 percent day rate and 25 percent night rate, all hours shift-adjusted on to or off the timecard will be adjusted using the same approximate ratio of 75/25 percent for day/night rates.

If an employee leaves city service while on the 4/11 schedule, staff and payroll shall perform the training bank reconciliation of the number of hours the employee is over or under the normal forty (40) hour workweek rate since the beginning of the current one (1) year (twenty-six [26] pay period) 4/11 cycle. If the employee has worked more hours than the forty (40) hour a week average, he or she shall be compensated for those hours at the regular rate. If the employee is under the forty (40) hour a week average, the hours will be taken from the employee's vacation, holiday, or comp time bank and/or deducted at the regular rate from the employee's last check.

If an employee's assignment changes from the 4/11 schedule or to the 4/11 schedule, his or her over/under rate will be calculated the same as above. Time off, extra shifts worked, and/or the adjustment of holiday, vacation, and/or comp. time banks will be used to resolve any differences between actual hours worked and the forty (40) hour weekly average.

Daylight Savings Time/Pacific Standard Time Changes – Personnel on Team 4 and Team 5 will follow these guidelines when working either the spring forward or fall back. Individuals working in the spring who would lose an hour of work due to the

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

change to Daylight Savings Time will report for duty one (1) hour early and work an eleven (11) hour shift at straight time. Individuals working in the fall will work one (1) additional hour (for a total shift of twelve (12) hours) due to the change to Pacific Standard Time. Such employees will put in for one (1) hour of overtime. Nothing in this section prevents an employee from leaving early or using time off to offset the time when staffing allows and approved by the Supervisor or Watch Commander.

(8) Maximum Hours Worked - Turn Around Time

Sergeants, agents, and officers may work up to a maximum number of 16 hours in a 24-hour period. Any work beyond 16 hours must be approved by a watch commander or member of management and only under exigent circumstances. Any time an employee works 16 hours or more, they must receive an 8-hour break before returning to duty. If the 8-hour break runs into the employees next shift, those hours are considered adjusted hours off.

Sergeants, agents, and officers shall not exceed a maximum of one hundred forty (140) hours in a 14 day pay period. Any work beyond one hundred forty (140) hours must be approved by the employee's Lieutenant and Captain, and should rarely occur only under extreme situations.

Sergeants and Lieutenants authorizing overtime in excess of the daily limit (16-hours) and/or the bi-weekly limit (140 hours) shall send a short email to their Lieutenant and Captain explaining the reason for the excess work.

It is the employee's responsibility to monitor their hours and notify the supervisor and/or watch commander of their hours worked when approaching the daily or bi-weekly limits or being requested to work overtime.

(9) Shift Exchanges

Sergeants, agents, and officers may exchange work shifts with another employee of the same rank. Agents and officers may be interchangeable if simply filling the role of an officer on the schedule. Personnel must submit a shift exchange request form to their supervisor and lieutenant. Shift exchanges require a lieutenant's approval except when short notice makes that impossible. Shift exchanges can only occur for entire shifts, Shift exchange request forms must contain the pay back date for the second half of the shift exchange. Both halves of the exchange must occur in the same 28-day FLSA Cycle (refer to Yearly 4/11 patrol Schedule for FLSA Cycles). Once an employee agrees to an exchange shift, he or she is responsible for that shift. If he or she fails to show up for the shift and/or is sick, the time will be

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

deducted from his or her applicable leave balance to the extent the employee qualifies for such deduction under the applicable leave policy. Failure to show up for a shift may also result in disciplinary action.

(10) **On-duty workout period and sign up:**

When staffing allows and with supervisory approval, employees may workout on-duty for a period of up to one (1)_hour. The hour shall include the work out, a shower, and dressing time. Specific guidelines and conditions are outlined in the Wellness Program Policy.

(b) **Traffic Team**

Sworn members of the Traffic Team shall work a ten-hour (10) day, four (4) day workweek schedule.

Traffic Team officers/agents may be assigned as part of minimum staffing at the discretion of management.

Effective July 1, 2008, the Take Home Motor Program will be discontinued.

On a one time basis, employees assigned to motors who are in paid status the first full pay period after Council adoption of this MOU, will receive one time non PERSable stipend representing 2.5% of base salary of the employee's classification minus applicable state and federal taxes.

(c) **Special Operation Sergeant/Crime Suppression Team**

The Special Operations Sergeant and team members shall generally work a ten (10) hour day, four (4) day workweek schedule. Given the nature of the team's assignment, it is anticipated and expected that their schedules should be flexible and adapt to organizational needs.

(d) **ISD and Other Sworn Classifications**

All sworn personnel assigned to ISD, Staff Assistant, Personnel and Training and Community Policing shall work a ten (10) hour day, four-day work week schedule.

(1) **Work Schedule**

The ten hours shall generally be worked between the hours of 0700 and 1900, with specific schedules subject to approval by appropriate supervisors.

On or about the 20th of each month, watch commanders will post a list of dates/shifts requiring overtime for the next month.

Officers, Agents, and Sergeants will be given a reasonable period of time to sign up for the available overtime assignments. On or about the 25th of the month, planned overtime will be filled from the sign up list using the rotational overtime call out list.

 - 2) Employees interested in working unplanned overtime will be placed on a rotational overtime list in order of seniority. When an overtime shift is available, a manager or supervisor will call the next person on the list. If that person declines the opportunity, is not available, is already working, or takes the overtime, he/she will be placed at the bottom of the list. The lists will be continually updated in order to rotate the names. There will be separate lists for sergeants and officers/agents for unplanned overtime. A separate supervisory list will be maintained for agents interested in working supervisory overtime. Agents will be offered supervisory overtime positions only if no sergeants have accepted the opportunity.
 - 3) If the watch commander or supervisor is unable to fill overtime through any of these procedures, he or she may order an individual to extend their shift, come in early, or come in on a day off. A log on those required to work mandatory overtime will be kept in the overtime book. Mandatory overtime should be rotated in order of reverse seniority.
- c) **Overtime Minimum.** With regard to both planned and unplanned patrol team overtime, there is no minimum number of hours. Planned overtime postings and unplanned overtime will be offered for the actual number of hours needed. If small blocks of overtime aren't filled by on-duty personnel adding them to an existing shift, managers may apply a 6-hour minimum to a shift for personnel coming in on a day off.

or through appeal to final and binding grievance arbitration. For the term of this Memorandum of Agreement, appeals to final and binding arbitration may be processed only with Association approval. All Step V appeals must be filed in writing at the Human Resources Department Office within ten working days of receipt of the Adjustment Board's disposition under Step IV.

If the aggrieved employee elects final and binding resolution by the City Manager, the City Manager will choose the methods he or she considers appropriate to review and settle the grievance. The City Manager shall render a written decision to all parties directly involved within ten working days after receiving the employee's appeal.

If the aggrieved employee elects final and binding arbitration in accordance with this provision, the parties shall mutually select an arbitrator. In the event the parties cannot agree on an arbitrator, they shall mutually request a panel of five arbitrators from the California State Conciliation Service or from the American Arbitration Association if either party objects to the State Conciliation Service, and select an arbitrator by the alternate strike method.

The arbitrator shall have jurisdiction and authority only to interpret, apply, or determine compliance with the provisions of this Memorandum of Agreement and such Merit System Rules, regulations, policies, procedures, City ordinances, resolutions relating to terms or conditions of employment, wages or fringe benefits, as may hereafter be in effect in the City insofar as may be necessary to the determination of grievances appealed to the arbitrator. The arbitrator shall be without power to make any decision:

- (1) Regarding matters of interest.
- (2) Contrary to, or inconsistent with or modifying in any way, the terms of this Memorandum of Agreement.
- (3) Granting any wage increases or decreases.

The arbitrator shall be without authority to require the City to delegate or relinquish any powers which by State law or City Charter the City cannot delegate or relinquish. Where either party seeks arbitration and the other party claims the matter is not subject to the arbitration provisions of this Memorandum of Agreement, the issue of arbitrability shall first be decided by the arbitrator using the standards and criteria set forth in this section and without regard to the merits of the grievance. If the issue is held to be arbitrable, the arbitration proceedings will be recessed for up to five working days during which the parties shall attempt to resolve the grievance. If no resolution is reached, the arbitrator will resume the hearing and hear and resolve the issue on the merits.

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

Copies of the arbitrator's decision shall be submitted to the City, the aggrieved employee and the Union. All direct costs emanating from the arbitration procedure shall be shared equally by the City and the aggrieved employee or the Association.

Section 39. Bulletin Boards and Telephones

The Association shall have access to existing bulletin boards in Unit employee work areas and to the City e-mail and voice mail systems for the purpose of posting notices or announcements including notices of social events, recreational events, membership meetings, results of elections and reports on minutes of Association meetings. Any other material must have prior approval of the Police Chief. Action on approval will be taken within 24 hours of submission. Emails sent for Association business shall be copied to the Human Resources Director at distribution.

City telephones may be used for Association business so long as there is no disruption of work and all toll or message unit calls are charged to the Association credit card.

Section 40. Access to Association Representatives

Representatives of the Association are authorized access to City work locations for the purpose of conducting business within the scope of representation, provided that no disruption of work is involved and the business transacted is other than recruiting of members or collecting of dues, and the representative must notify the Human Resources Department office prior to entering the work location.

Section 41. Meeting Places

The Association shall have the right to reserve City meeting and conference rooms for use during non-working hours. Such meeting places will be made available in conformity with City's regulations and subject to the limitations of prior commitment.

Section 42. Voluntary Leave Program:

- (a) The City of Palo Alto has established a Peace Officer Voluntary Leave Program to provide members of the Palo Alto Peace Officers' Association, Incorporated (hereafter referred to as "PAPOA") the opportunity to donate their accrued vacation time to assist fellow members of PAPOA either due to: (a) an employee's own verifiable non-industrial catastrophic illness or injury (as defined herein) or (b) in order to care for a member of the employee's immediate family (spouse, child, parent or registered domestic partner suffering from a verifiable catastrophic illness

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

or injury) and have exhausted or will presently exhaust all of their paid leave.

In order to be eligible to receive donated leave, an employee must have a catastrophic illness or injury or an employee's immediate family member must have a catastrophic illness or injury that requires the employee to provide full-time care for this family member. Care will be taken to emphasize the voluntary nature of the plan and to insure confidentiality of employee participants and medical conditions (where applicable).

A Peace Officer Voluntary Leave Sharing Program has been established to accept donations of vacation in accordance with the Program's guidelines. All donations shall be:

1. Voluntary
2. Irrevocable
3. Confidential, unless disclosure is required by law
4. In whole hour increments of at least (4) hours, with hours donated being converted to donee hours based on the donee's salary rate (so that there will be no cost to the City due to salary differential)
5. The employee shall be required to exhaust all other types of leave to request donated leave
6. It is understood that employees seeking or receiving leave under this program will apply for long-term disability benefits for which they may be eligible
7. Where any of the period during which an employee receives donated leave is designated as family leave under the California Family Rights Act (CFRA) or Family Medical Leave Act (FMLA), the employee will be eligible for continuation of medical and other available benefits during that family leave period (for up to 12 weeks), in accordance with the requirements of those laws. If the employee receiving donated leave is not eligible for CFRA/FMLA benefit continuation, or after the employee has exhausted the available CFRA/FMLA leave period, the employee will need to pay the premiums for continued medical and other available benefits if the employee chooses to continue such coverages through the City.
8. If the donation request is based on the need for an employee to care for an immediate family member, as defined above, the family member must require full-time care by the employee. Certification of this requirement by a health care professional is required.
9. The maximum donated time a donee may receive is 12 months (if available).
10. Applications to donate leave or receive leave under this Program are made to the Human Resources Department.
11. This is a pilot program and is subject to cancellation by either party.

City of Palo Alto and PAPOA
July 1, 2014 – June 30, 2018

PAPOA members interested in donating leave or in applying to receive donated leave shall complete forms provided by the Human Resources Department. If an applicant for leave is found to meet the criteria set forth herein, Human Resources will determine the availability of and (as applicable) allocation of donated paid leave. Payroll will be notified in writing of the number of hours to be deducted from each donating employee's vacation balance and transferred to the donee employee(s).

- (b) The City reserves the right to modify or terminate this program at any time.
- (c) Catastrophic Illness or Injury (also referred to as "medical emergency" in Revenue Ruling 90-29 and Sections 801(c) and 812 of the Merit Rules and Regulations): A non-occupational medical condition of an employee that will require the prolonged absence of the employee from duty and which will result in a substantial loss of income to the employee because the employee will have exhausted all paid leave available apart from the Voluntary Employee Leave Sharing Program. Non-disability postpartum leave as referenced in Merit Rule 801(b) shall not be considered a catastrophic illness or injury under this policy.
- (d) Nothing in this section precludes an Association member from utilizing or participating in the City's Voluntary Employee Leave Sharing Program.

Section 43. Utilization of Reserves for Field Services Division Events

- (a) Management will determine staffing levels for each event.
- (b) Events for which the department receives reimbursement will be staffed by regular officers, except that in the event a sufficient number of regular officers are unavailable, reserve officers may be used.
- (c) Reserves may be used for the May Day Parade, Stanford University or NFL football games, park patrol, Black and White Ball, and supplemental patrol staffing in excess of levels set forth in the Field Services Staffing Levels general order.
- (d) Events, for which the department does not receive reimbursement, may be staffed in the ratio of two reserve officers to one regular officer. Reserves may be used in any situation where an insufficient number of regular officers are available.
- (e) Staffing for the University Avenue Street Fair will consist of no less than a 1:1 ratio of regular officers to reserve officers.

Section 44. Overtime Meals for Investigative Services Division

Effective July 1, 1996, for ISD personnel who are working authorized investigative overtime extending for a period either four hours after the conclusion of their normal work shift, or four hours prior to the beginning of the normal work shift, shall be entitled to reimbursement for the appropriate meal at the City per diem rate. The meal reimbursement shall also apply for any authorized investigative overtime on a weekend or holiday in excess of four hours.

Section 45. Hiring Incentives

Qualified lateral officers, who have a current basic or higher POST certificate, hired during the term of this agreement may upon City Manager approval:

- (a) Accrue vacation leave at a beginning rate equal to the rate they were earning at their previous employer, subject to a maximum of 160 hours per year with progression to higher accrual rates as provided in Section 27, Vacation Accrual; and
- (b) Begin their employment with the City with a sick leave balance not to exceed 96 hours.
- (c) Receive a \$10,000 hiring incentive to be paid according to the following conditions and schedule: \$5,000 upon completion of the first year of employment; \$2,500 upon completion of the second year of employment; and \$2,500 upon completion of the third year of employment.
- (d) Laterals returning to the Palo Alto Police Department must have been separated from the City for a minimum of 2 years to be eligible for this incentive program.
- (e) Based on years of service, level of experience, and educational achievement, experienced lateral officers may receive a starting salary at any appropriate level within the "Police Officer" classification as deemed appropriate by the City Manager on recommendation of the Chief of Police.

Section 46. Full Understanding

- (a) The Memorandum of Agreement contains the full and entire understanding of the parties regarding the matters set forth herein.
- (b) It is the intent of the parties that ordinances, resolutions, rules and regulations enacted pursuant to this Memorandum of Agreement be administered and observed

City of Palo Alto and PAPOA

in good faith.

- (c) Nothing in this agreement shall preclude the parties from mutually agreeing to meet and confer on any subject within the scope of representation during the term of this agreement.
- (d) Should any of the provisions herein contained be rendered or declared invalid by reason of any existing State or Federal legislation or by reason of State Supreme Court or U. S. Supreme Court ruling, such invalidation of such part or portion of this Memorandum of Agreement shall not invalidate the remaining portions hereof, and they shall remain in full force and effect, insofar as such remaining portions are severable.
- (e) Prior Agreements & Side Letters: Upon Implementation of this agreement, all prior agreements and side letters become null and void. In any instance where internal department polices and/or practices are in conflict with this agreement, this agreement shall take precedence.
- (f) During the term of this Memorandum of Agreement, Management may propose certain changes in the City Merit System Rules and regulations. With regard to such changes which pertain to the representation unit, the parties agree to review, and upon request, meet and confer regarding the changes.

Section 47. Printed Agreement

The City will provide copies of the Memorandum of Agreement resulting from these negotiations in booklet form to all represented employees.

Section 48. Duration

Except as expressly and specifically provided otherwise herein for the retroactive application of a specific provision(s), this Memorandum of Agreement shall become effective upon ratification by both parties hereto and remain in effect through June 30, 2018.
