Parents, have you ever wished you had your very own librarian to help you figure out what your child should read next? Now you can get personal book recommendations matched to your child's age and interests through our newest service, **Beanstack**.

With Beanstack:

- Set up a free account on the mobile-friendly Beanstack website
- Create a profile to match each child's interests
- Receive a weekly email with a book recommendation selected from our library collection
- Receive companion learning tips with the book recommendation to enrich the reading experience
- Log the books completed & earn fun badges marking your child's reading progress
- Get access to a database of recommended children's apps
- Discover themed learning guides with discussion starters and activities

Just sign up free on our Beanstack site, sit back and relax, and let our librarian-curated children's book recommendations come to you.

Flipster is a next-generation digital service for browsing the latest issues of popular magazines and it's free with your library card.

- Read online on your computer or mobile device
- Magazines can be downloaded to iPads, Android Tablets and Kindle Fire tablets via a free app. Once downloaded, enjoy reading anytime anywhere, no Internet connection needed.
