TO:          HONORABLE CITY COUNCIL

FROM:        CITY MANAGER
DEPARTMENT:  PUBLIC WORKS

AGENDA DATE:  2/25/2019        ID#:   10034

SUBJECT: Adoption of the Urban Forest Master Plan Second Edition

This item was included on the consent agenda for Council’s December 17, 2018 meeting. A concern was raised that councilmembers were not able to properly see the redline additions in the edited Goals, Policies, and Programs chapter, and three councilmembers voted to pull the item from consent. Following the December 17 meeting, staff determined that the redline additions had not been viewable because the Council packets were printed in black and white. Council’s packet, and the online report, now includes a color version of the Goals, Policies, and Programs chapter that shows the edits and the item has been placed on the consent agenda.
