From: City Manager

Lead Department: IT Department

Recommendation
Staff recommends that Council approve and authorize the City Manager or designee to execute the following:

1) A new three-year agreement with Insight Public Sector in the amount of $497,486 annually to pay for the City’s annual Microsoft licensing and support (Attachment A).
2) Authorize a ten percent (10%) contingency in the amount of $49,748 each year for the purchase of Microsoft licensing and support for any unforeseen licensing needs, for a total annual amount not-to-exceed $547,234.

Executive Summary
This is a support services contract for Microsoft Product Licensing and Maintenance as described in the Riverside County Microsoft Enterprise Agreement. The City of Palo Alto has used the Riverside Enterprise Agreement since 2005 to secure discounted pricing of Microsoft licensing. Riverside’s sheer volume of licenses of Microsoft products used has allowed them to obtain a deep discount on these products. This discount is allowed to be passed on to other agencies within the state. The products and services in this annual licensing run the City’s email system, the majority of our City Data Center core systems, productivity software such as Word, Excel, and PowerPoint (both installed and online), video conferencing, SharePoint, and other essential City solutions.
Background
On March 6, 2017, Council approved contract C12144913 for a Microsoft Enterprise Agreement (MEA) (CMR: 7584), licensing of various Microsoft software programs. This agreement was initially executed by the County of Riverside, California (RIVCO-20800- (002-007)-12/12) and is extended to local agencies to take advantage of the competitive pricing negotiated through this contract. A new agreement with the County of Riverside has been negotiated and the City will again piggy-back off of this agreement with the County of Riverside for Microsoft licensing and support; Contract #PSA-0001526/RIVCO-2020-RFQ-0000048 (Attachment B).

This new contract is exempt from competitive solicitation requirements under Palo Alto Municipal Code section 2.30.360(j) (exemption for cooperative purchases).

Every year on the City's anniversary date, an annual true-up is performed which compares the actual number of licenses used by City staff against how many licenses the City has already purchased. The cost associated with this true-up includes the license cost of these items as well as the Software Assurance for the remaining years on the agreement. Software Assurance provides the City with planning services to enable efficient deployment of licenses and solutions, in-person and online training for IT and end users, and rights to new software releases during the term of the agreement at no additional cost.

Discussion
The execution of this contract will ensure continuity of the current services provided by Microsoft, namely the annual licenses necessary for Office 365 that provides the City’s City-wide email services and critical applications, such as Word and Excel. The cost for this new three-year contract is $497,486 annually, with a not-to-exceed total contract amount of $1,492,458. Staff recommends a ten percent (10%) annual contingency for unforeseen licensing needs (true-ups), which brings the total not to exceed amount to $1,641,701 over the life of the contract.

The Information Technology Department diligently reviewed this new contract to ensure the City is accurately licensed for all necessary components such as server licensing, user licensing, and security licensing. This contract renews the existing licenses in the prior contract and accounts for additional user licensing for position vacancies and new hires. Variances such as these were accounted for in the annual true-up in the prior contract. This licensing level enables robust security capabilities such as enterprise mobility plus security and mobile device management. This increased security facilitates the consolidation of our existing security software vendors.

Though most licensing levels remain the same as in the previous contract (one license has decreased), the amount due annually has increased. This is the result of year over year annual contract increases; furthermore, the discount negotiated between the County of Riverside and Microsoft is lower than what it has been in past agreements.
Staff has confirmed with Microsoft that this contract still yields the most discounted rate and requested multiple quotes to ensure we receive the most aggressive pricing.

**Stakeholder Engagement**
Staff is utilizing the County of Riverside Agreement, which has been competitively solicited and allows other government agencies to piggy-back off the agreement.

**Resource Impact**
The funding for this contract is available in the Information Technology Fiscal Year 2020 Adopted Operating Budget. Funding for subsequent years of the contract will be subject to approval through the annual budget development process.

**Environmental Review**
Approval of these contracts do not constitute a project under the California Environmental Quality Act (CEQA); therefore, an Environmental Assessment is not required.

The device may include features and functions derived from Microsoft software or third-party software. If the device performs desktop functions (such as email, word processing, spreadsheets, database, network or Internet browsing, or scheduling, or personal finance), then the desktop functions: (1) may only be used for the purpose of supporting the Industry Program functionality; and (2) must be technically integrated with the Industry Program or employ technically enforced policies or architecture to operate only when used with the Industry Program functionality.

“Qualified User” means a person (e.g., employee, consultant, contingent staff) who: (1) is a user of a Qualified Device, or (2) accesses any server software requiring an Enterprise Product Client Access License or any Enterprise Online Service. The Use Rights include the Product-Specific License Terms, the License Model terms, the Universal License Terms, the Data Protection Terms, and the Other Legal Terms. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product.

2. **Order requirements.**

   a. **Minimum order requirements.** Enrolled Affiliate’s Enterprise must have a minimum of 250 Qualified Users or Qualified Devices. The initial order must include at least 250 Licenses for Enterprise Products or Enterprise Online Services.

      (i) **Enterprise commitment.** Enrolled Affiliate must order enough Licenses to cover all Qualified Users or Qualified Devices, depending on the License Type, with one or more Enterprise Products or a mix of Enterprise Products and the corresponding Enterprise Online Services (as long as all Qualified Devices not covered by a License are only used by users covered with a user License).

      (ii) **Enterprise Online Services only.** If no Enterprise Product is ordered, then Enrolled Affiliate need only maintain at least 250 Subscription Licenses for Enterprise Online Services.

   b. **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products.

   c. **Use Rights for Enterprise Products.** For Enterprise Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Enrolled Affiliate’s use of that Product during that term.

   d. **Country of usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any additional orders.

   e. **Resellers.** Enrolled Affiliate must choose and maintain a Reseller authorized in the United States. Enrolled Affiliate will acquire its Licenses through its chosen Reseller. Orders must be submitted to the Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Throughout this Agreement the term “price” refers to reference price. Resellers and other third parties do not have authority to bind or impose any obligation or liability on Microsoft.

   f. **Adding Products.**

      (i) **Adding new Products not previously ordered.** New Enterprise Products or Enterprise Online Services may be added at any time by contacting a Microsoft Account Manager or
Reseller. New Additional Products, other than Online Services, may be used if an order is placed in the month the Product is first used. For Additional Products that are Online Services, an initial order for the Online Service is required prior to use.

(ii) Adding Licenses for previously ordered Products. Additional Licenses for previously ordered Products other than Online Services may be added at any time but must be included in the next true-up order. Additional Licenses for Online Services must be ordered prior to use, unless the Online Services are (1) identified as eligible for true-up in the Product Terms or (2) included as part of other Licenses.

g. True-up requirements. Enrolled Affiliate must submit an annual true-up order that accounts for any changes since the initial order or last order. If there are no changes, then an update statement must be submitted instead of a true-up order.

(i) Enterprise Products. For Enterprise Products, Enrolled Affiliate must determine the number of Qualified Devices and Qualified Users (if ordering user-based Licenses) at the time the true-up order is placed and must order additional Licenses for all Qualified Devices and Qualified Users that are not already covered by existing Licenses, including any Enterprise Online Services.

(ii) Additional Products. For Additional Products that have been previously ordered under this Enrollment, Enrolled Affiliate must determine the maximum number of Additional Products used since the latter of the initial order, the last true-up order, or the prior anniversary date and submit a true-up order that accounts for any increase.

(iii) Online Services. For Online Services identified as eligible for true-up in the Product Terms, Enrolled Affiliate may place a reservation order for the additional Licenses prior to use and payment may be deferred until the next true-up order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retrospectively to the month in which they were ordered.

(iv) Subscription License reductions. Enrolled Affiliate may reduce the quantity of Subscription Licenses at the Enrollment anniversary date on a prospective basis if permitted in the Product Terms, as follows:

1) For Subscription Licenses that are part of an Enterprise-wide purchase, Licenses may be reduced if the total quantity of Licenses and Software Assurance for an applicable group meets or exceeds the quantity of Qualified Devices and Qualified Users (if ordering user-based Licenses) identified on the Product Selection Form, and includes any additional Qualified Devices and Qualified Users added in any prior true-up orders. Step-up Licenses do not count towards this total count.

2) For Enterprise Online Services that are not a part of an Enterprise-wide purchase, Licenses can be reduced as long as the initial order minimum requirements are maintained.

3) For Additional Products available as Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, then Enrolled Affiliate’s use of the applicable Subscription License will be cancelled.

Invoices will be adjusted to reflect any reductions in Subscription Licenses at the true-up order Enrollment anniversary date and effective as of such date.

(v) Update statement. An update statement must be submitted instead of a true-up order if, since the initial order or last true-up order, Enrolled Affiliate’s Enterprise: (1) has not changed the number of Qualified Devices and Qualified Users licensed with Enterprise Products or Enterprise Online Services; and (2) has not increased its usage of Additional Products. This update statement must be signed by Enrolled Affiliate’s authorized representative.
(vi) **True-up order period.** The true-up order or update statement must be received by Microsoft between 60 and 30 days prior to each Enrollment anniversary date. The third-year true-up order or update statement is due within 30 days prior to the Expiration Date, and any license reservations within this 30 day period will not be accepted. Enrolled Affiliate may submit true-up orders more often to account for increases in Product usage, but an annual true-up order or update statement must still be submitted during the annual order period.

(vii) **Late true-up order.** If the true-up order or update statement is not received when due, Microsoft will invoice Reseller for all Reserved Licenses not previously invoiced and Subscription License reductions cannot be reported until the following Enrollment anniversary date (or at Enrollment renewal, as applicable).

h. **Step-up Licenses.** For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:

   (i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up process.

   (ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.

i. **Clerical errors.** Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.

j. **Verifying compliance.** Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Enterprise Agreement.

3. **Pricing.**

   a. **Price Levels.** For both the initial and any renewal term Enrolled Affiliate’s Price Level for all Products ordered under this Enrollment will be Level “D” throughout the term of the Enrollment.

   b. **Setting Prices.** Enrolled Affiliate’s prices for each Product or Service will be established by its Reseller. Except for Online Services designated in the Product Terms as being exempt from fixed pricing, As long as Enrolled Affiliate continues to qualify for the same price level, Microsoft’s prices for Resellers for each Product or Service ordered will be fixed throughout the applicable initial or renewal Enrollment term. Microsoft’s prices to Resellers are reestablished at the beginning of the renewal term.

4. **Payment terms.**

   For the initial or renewal order, Microsoft will invoice Enrolled Affiliate’s Reseller in three equal annual installments. The first installment will be invoiced upon Microsoft’s acceptance of this Enrollment and remaining installments will be invoiced on each subsequent Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront for Online Services and upfront for all other Licenses.
5. **End of Enrollment term and termination.**

a. **General.** At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but has not previously submitted an order, except as otherwise provided in this Enrollment.

b. **Renewal option.** At the Expiration Date of the initial term, Enrolled Affiliate can renew Products by renewing this Enrollment for one additional 36-month term or by signing a new Enrollment. Microsoft must receive a Renewal Form, Product Selection Form, and renewal order prior to or at the Expiration Date. Microsoft will not unreasonably reject any renewal. Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments at renewal.

c. **If Enrolled Affiliate elects not to renew.**

   (i) **Software Assurance.** If Enrolled Affiliate elects not to renew Software Assurance for any Product under its Enrollment, then Enrolled Affiliate will not be permitted to order Software Assurance later without first acquiring a new License with Software Assurance.

   (ii) **Online Services eligible for an Extended Term.** For Online Services identified as eligible for an Extended Term in the Product Terms, the following options are available at the end of the Enrollment initial or renewal term.

   1) **Extended Term.** Licenses for Online Services will automatically expire in accordance with the terms of the Enrollment. An extended term feature that allows Online Services to continue month-to-month ("Extended Term") is available. During the Extended Term, Online Services will be invoiced monthly at the then-current published price as of the Expiration Date plus a 3% administrative fee for up to one year. If Enrolled Affiliate wants an Extended Term, Enrolled Affiliate must submit a request to Microsoft at least 30 days prior to the Expiration Date.

   2) **Cancellation during Extended Term.** At any time during the first year of the Extended Term, Enrolled Affiliate may terminate the Extended Term by submitting a notice of cancellation to Microsoft for each Online Service. Thereafter, either party may terminate the Extended Term by providing the other with a notice of cancellation for each Online Service. Cancellation will be effective at the end of the month following 30 days after Microsoft has received or issued the notice.

   (iii) **Subscription Licenses and Online Services not eligible for an Extended Term.** If Enrolled Affiliate elects not to renew, the Licenses will be cancelled and will terminate as of the Expiration Date. Any associated media must be uninstalled and destroyed and Enrolled Affiliate’s Enterprise must discontinue use. Microsoft may request written certification to verify compliance.

d. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the “Termination for cause” section of the Agreement. In addition, it shall be a breach of this Enrollment if Enrolled Affiliate or any Affiliate in the Enterprise that uses Government Community Cloud Services fails to meet and maintain the conditions of membership in the definition of Community.

e. **Early termination.** Any early termination of this Enrollment will be subject to the “Early Termination” Section of the Enterprise Agreement.

   For Subscription Licenses, in the event of a breach by Microsoft, or if Microsoft terminates an Online Service for regulatory reasons, Microsoft will issue Reseller a credit for any amount paid in advance for the period after termination.

6. **Government Community Cloud.**

a. **Community requirements.** If Enrolled Affiliate purchases Government Community Cloud
Services, Enrolled Affiliate certifies that it is a member of the Community and agrees to use Government Community Cloud Services solely in its capacity as a member of the Community and, for eligible Government Community Cloud Services, for the benefit of end users that are members of the Community. Use of Government Community Cloud Services by an entity that is not a member of the Community or to provide services to non-Community members is strictly prohibited and could result in termination of Enrolled Affiliate’s license(s) for Government Community Cloud Services without notice. Enrolled Affiliate acknowledges that only Community members may use Government Community Cloud Services.

b. All terms and conditions applicable to non-Government Community Cloud Services also apply to their corresponding Government Community Cloud Services, except as otherwise noted in the Use Rights, Product Terms, and this Enrollment.

c. Enrolled Affiliate may not deploy or use Government Community Cloud Services and corresponding non-Government Community Cloud Services in the same domain.

d. Use Rights for Government Community Cloud Services. For Government Community Cloud Services, notwithstanding anything to the contrary in the Use Rights:

   (i) Government Community Cloud Services will be offered only within the United States.

   (ii) Additional European Terms, as set forth in the Use Rights, will not apply.

   (iii) References to geographic areas in the Use Rights with respect to the location of Customer Data at rest, as set forth in the Use Rights, refer only to the United States.

Discount Details

For this enrollment, Microsoft provided the Customer’s Partner an additional discount off of the Partner’s Net Price. The Partner is required, by Microsoft, to pass on the additional discount to the Customer by reducing the Microsoft Product resale price by an amount equal to or greater than the discount.

Listed in the table below is the maximum price the partner may charge for the Microsoft Products to be ordered under this enrollment. The Maximum Resale Price (MRP) is calculated by subtracting the additional discount provided to the Partner, from the total estimated resale price for the Microsoft Products.

The requirement to pass through the additional discount, does not mean that Microsoft is setting the Customer’s actual price. Partners remain free to set the price charged for Microsoft Products at any point equal to or below MRP. The Customer’s actual price will be established by a separate agreement between Customer and its Partner.

Note: The Maximum Resale Price listed in the table above only pertains to the Microsoft Products to be ordered under this Enrollment. The content of this form has no impact on the Customer’s price for Non-Microsoft products and services.

In this form, the following definitions apply:

"Customer" means the entity that may enter or has entered into a Contract with the Partner.
"Contract" means a binding agreement between the Partner and Affiliate, under which Customer orders Products from Partner.
"Microsoft" means (1) the entity that has entered into an agreement with Partner under which Partner may place orders for Microsoft Products for use by the Customer and (2) the affiliates of such entity, as appropriate.
"Maximum Resale Price" means the sum of the Estimated Retail Price for all Microsoft Products ordered under the Customer Contract minus the aggregated discount off of the Partner’s Net Price provided by Microsoft listed in the currency in which the Partner or Partner’s reseller transacts with Microsoft.
"Product" means all Microsoft Products identified in the Product Terms, such as all Software, Online Services, and other web-based services, including pre-release or beta version. Microsoft product availability may vary by region.

This Licensing Solution Provider Agreement is made and entered into this 22nd day of October 2019, by and between Insight Public Sector Inc., an Illinois corporation ("CONTRACTOR"), and the COUNTY OF RIVERSIDE, a political subdivision of the State of California, ("COUNTY").

WHEREAS, COUNTY and Microsoft Corporation ("Microsoft") have entered into that certain Microsoft Enterprise Agreement (Master Agreement No. 8084445; the "Master Agreement"), effective August 23, 2019, under which COUNTY has the ability to enter into one or more enrollments to order certain Microsoft product licenses;

WHEREAS, CONTRACTOR desires to provide support to COUNTY and its Enrolled Affiliates (as defined in the Master Agreement) for said licenses under this Agreement and hereby represents that it has the skills, experience, and knowledge necessary to perform under this Agreement; and

WHEREAS, COUNTY desires to accept CONTRACTOR’s services under this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree as follows:

1. This Agreement covers all enrollments for all products licensed under the Master Agreement. All terms and conditions of the Master Agreement, attached as Exhibit E of this Agreement and incorporated by reference, shall apply to the purchase of related products and services.

5.3 CONTRACTOR’S obligation hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.

6. Contractor Responsibilities: CONTRACTOR will offer the following services to each Enrolled Affiliate at no additional charge. It is the responsibility of the Enrolled Affiliate to determine which products and/or services, if any, meet their needs and communicate that to the CONTRACTOR.

12.2 COUNTY may, upon five (5) days written notice terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. In the event of such termination, the COUNTY may proceed with the work in any manner deemed proper by COUNTY.

12.3 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR’s unwillingness or inability for any reason whatsoever to perform the terms of this Agreement.

13. Conduct of Contractor:

13.1 The CONTRACTOR covenants that it presently has no interest, including, but not limited to, other projects or contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with CONTRACTOR’s performance under this Agreement. 13.4 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess, or evaluate CONTRACTOR's performance under this Agreement at any time, upon reasonable notice to the CONTRACTOR.

14. Independent Contractor/Employment Eligibility/Non-Discrimination:

14.1 The CONTRACTOR is, for purposes relating to this Agreement, an independent contractor and shall not be deemed an employee of the COUNTY. It is expressly understood and agreed that the CONTRACTOR (including its employees, agents, and subcontractors) shall in no event be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits. There shall be no employer-employee relationship between the parties; and CONTRACTOR shall hold COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by a third party that an employer-employee relationship exists by reason of this Agreement. It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.

Enterprise Agreement

This Microsoft Enterprise Agreement ("Agreement") is entered into between the entities identified on the signature form.

Effective date: The effective date of this Agreement is the earliest effective date of any Enrollment entered into under this Agreement or the date Microsoft accepts this Agreement, whichever is earlier.

This Agreement consists of (1) these Agreement terms and conditions, including any amendments and the signature form and all attachments identified therein, (2) the Product Terms applicable to Products licensed under this Agreement, (3) the Online Services Terms, (4) any Affiliate Enrollment entered into under this Agreement, and (5) any order submitted under this Agreement.

Please note: Documents referenced in this Agreement but not attached to the signature form may be found at http://www.microsoft.com/licensing/contracts and are incorporated in this Agreement by reference, including the Product Terms and Use Rights. These documents may contain additional terms and conditions for Products licensed under this Agreement and may be changed from time to time. Customer should review such documents carefully, both at the time of signing and periodically thereafter, and fully understand all terms and conditions applicable to Products licensed.

Terms and Conditions

1. Definitions.

"Affiliate" means

a. with regard to Customer,

(i) any government agency, department, office, instrumentality, division, unit or other entity of the state or local government that is supervised by or is part of Customer, or which supervises Customer or of which Customer is a part, or which is under common supervision with Customer;

(ii) any county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality established by the laws of Customer’s state and located within Customer’s state jurisdiction and geographic boundaries; and

(iii) any other entity in Customer’s state expressly authorized by the laws of Customer’s state to purchase under state contracts; provided that a state and its Affiliates shall not, for purposes of this definition, be considered to be Affiliates of the federal government and its Affiliates; and

b. with regard to Microsoft, any legal entity that Microsoft owns, that owns Microsoft, or that is under common ownership with Microsoft.

"Customer" means the legal entity that has entered into this Agreement with Microsoft.

"Customer Data" means all data, including all text, sound, software, image, or video files that are provided to Microsoft by, or on behalf of, an Enrolled Affiliate and its Affiliates through use of Online Services.

"day" means a calendar day, except for references that specify "business day".

"Enrolled Affiliate" means an entity, either Customer or any one of Customer’s Affiliates that has entered into an Enrollment under this Agreement.
"Enrollment" means the document that an Enrolled Affiliate submits under this Agreement to place orders for Products.

"Enterprise" means an Enrolled Affiliate and the Affiliates for which it is responsible and chooses on its Enrollment to include in its enterprise.

"Fixes" means Product fixes, modifications, or enhancements, or their derivatives, that Microsoft either releases generally (such as Product service packs) or provides to Customer to address a specific issue.

"License" means the right to download, install, access and use a Product. For certain Products, a License may be available on a fixed term or subscription basis ("Subscription License"). Licenses for Online Services will be considered Subscription Licenses.

"Microsoft" means the Microsoft Affiliate that has entered into this Agreement or an Enrollment and its Affiliates, as appropriate.

"Online Services" means the Microsoft-hosted services identified as Online Services in the Product Terms.

"Online Services Terms" means the additional terms that apply to Customer's use of Online Services published on the Volume Licensing Site and updated from time to time.

"Product" means all products identified in the Product Terms, such as all Software, Online Services and other web-based services, including pre-release or beta versions.

"Product Terms" means the document that provides information about Microsoft Products and Professional Services available through volume licensing. The Product Terms document is published on the Volume Licensing Site and is updated from time to time.

"SLA" means Service Level Agreement, which specifies the minimum service level for Online Services and is published on the Volume Licensing Site.

"Software" means licensed copies of Microsoft software identified on the Product Terms. Software does not include Online Services, but Software may be part of an Online Service.

"Software Assurance" is an offering by Microsoft that provides new version rights and other benefits for Products as further described in the Product Terms.

"Trade Secret" means information that is not generally known or readily ascertainable to the public, has economic value as a result, and has been subject to reasonable steps under the circumstances to maintain its secrecy.

"use" or "run" means to copy, install, use, access, display, run or otherwise interact.

"Use Rights" means the use rights or terms of service for each Product published on the Volume Licensing Site and updated from time to time. The Use Rights supersede the terms of any and user license agreement that accompanies a Product. The Use Rights for Software are published by Microsoft in the Product Terms. The Use Rights for Online Services are published in the Online Services Terms.

"Volume Licensing Site" means http://www.microsoft.com/licensing/contracts or a successor site.

2. How the Enterprise program works.

a. General. The Enterprise program consists of the terms and conditions on which an Enrolled Affiliate may acquire Product Licenses. Under the Enterprise program, Customer and its Affiliates may order Licenses for Products by entering into Enrollments.

b. Enrollments. The Enterprise program gives Customer and/or its Affiliates the ability to enter into one or more Enrollments to order Products. Subscription Enrollments may be available for some of these Enrollments. Notwithstanding any other provision of this Agreement, only Enrolled Affiliates identified in an Enrollment will be responsible for complying with the terms of that Enrollment, including the terms of this Agreement incorporated by reference in that Enrollment.
c. Licenses. The types of Licenses available are (1) Licenses obtained under Software Assurance (L&SA), and (2) Subscription Licenses. These License types, as well as additional License Types, are further described in the Product List.

3. Licenses for Products.

a. License Grant. Microsoft grants the Enterprise a non-exclusive, worldwide and limited right to download, install and use software Products, and to access and use the Online Services, each in the quantity ordered under an Enrollment. The rights granted are subject to the terms of this Agreement, the Use Rights and the Product Terms. Microsoft reserves all rights not expressly granted in this Agreement.

b. Duration of Licenses. Subscription Licenses and most Software Assurance rights are temporary and expire when the applicable Enrollment is terminated or expires, unless the Enrolled Affiliate exercises a buy-out option, which is available for some Subscription Licenses. Except as otherwise noted in the applicable Enrollment or Use Rights, all other Licenses become perpetual only when all payments for that License have been made and the initial Enrollment term has expired.

c. Applicable Use Rights.

(i) Products (other than Online Services). The Use Rights in effect on the effective date of the applicable Enrollment term will apply to Enterprise's use of the version of each Product that is current at the time. For future versions and new Products, the Use Rights in effect when those versions and Products are first released will apply. Changes Microsoft makes to the Use Rights for a particular version will not apply unless the Enrolled Affiliate chooses to have those changes apply. The Use Rights applicable to perpetual Licenses that were acquired under a previous agreement or Enrollment are determined by the Agreement or Enrollment under which they were acquired. Renewal of Software Assurance does not change which Use Rights apply to those Licenses.

(ii) Online Services. For Online Services, the Use Rights in effect on the subscription start date will apply for the subscription term as defined in the Product Terms.

d. Downgrade rights. Enrolled Affiliate may use an earlier version of a Product other than Online Services than the version that is current on the effective date of the Enrollment. For Licenses acquired in the current Enrollment term, the Use Rights for the current version apply to the use of the earlier version. If the earlier Product version includes features that are not in the new version, then the Use Rights applicable to the earlier version apply with respect to those features.

e. New Version Rights under Software Assurance. Enrolled Affiliate must order and maintain continuous Software Assurance coverage for each License ordered. With Software Assurance coverage, Enterprise automatically has the right to use a new version of a licensed Product as soon as it is released, even if Enrolled Affiliate chooses not to use the new version immediately.

(i) Except as otherwise permitted under an Enrollment, use of the new version will be subject to the new version's Use Rights.

(ii) If the License for the earlier version of the Product is perpetual at the time the new version is released, the License for the new version will also be perpetual. Perpetual Licenses obtained through Software Assurance replace any perpetual Licenses for the earlier version.

f. License confirmation. This Agreement, the applicable Enrollment, Enrolled Affiliate's order confirmation, and any documentation evidencing transfers of perpetual Licenses, together with proof of payment, will be Enrolled Affiliate's evidence of all Licenses obtained under an Enrollment.
g. Reorganizations, consolidations and privatizations. If the number of Licenses covered by an Enrollment changes by more than ten percent as a result of (1) a reorganization, consolidation or privatization of an entity or an operating division, (2) a privatization of an Affiliate or an operating division of Enrolled Affiliate or any of its Affiliates, or (3) a consolidation including a merger with a third party that has an existing agreement or Enrollment, Microsoft will work with Enrolled Affiliate in good faith to determine how to accommodate its changed circumstances in the context of this Agreement.

4. Making copies of Products and re-imaging rights.
   a. General. Enrolled Affiliate may make as many copies of Products, as it needs to distribute them within the Enterprise. Copies must be true and complete (including copyright and trademark notices) from master copies obtained from a Microsoft approved fulfillment source. Enrolled Affiliate may use a third party to make these copies, but Enrolled Affiliate agrees it will be responsible for any third party's actions. Enrolled Affiliate agrees to make reasonable efforts to notify its employees, agents, and any other individuals who use the Products that the Products are licensed from Microsoft and subject to the terms of this Agreement.
   b. Copies for training/evaluation and back-up. For all Products other than Online Services, Enrolled Affiliate may: (1) use up to 20 complimentary copies of any licensed Product in a dedicated training facility on its premises for purposes of training on that particular Product, (2) use up to 10 complimentary copies of any Product for a 60-day evaluation period, and (3) use one complimentary copy of any licensed Product for back-up or archival purposes for each of its distinct geographic locations. Trials for Online Services may be available if specified in the Use Rights.
   c. Right to re-image. In certain cases, re-imaging is permitted using the Product media. If the Microsoft Product is licensed (1) from an original equipment manufacturer (OEM), (2) as a full packaged Product through a retail source, or (3) under another Microsoft program, then media provided under this Agreement may generally be used to create images for use in place of copies provided through that separate source. This right is conditional upon the following:
      (i) Separate Licenses must be acquired from the separate source for each Product that is re-imaged.
      (ii) The Product, language, version, and components of the copies made must be identical to the Product, language, version, and all components of the copies they replace and the number of copies or instances of the re-imaged Product permitted remains the same.
      (iii) Except for copies of an operating system and copies of Products licensed under another Microsoft program, the Product type (e.g., Upgrade or full License) re-imaged must be identical to the Product type licensed from the separate source.
      (iv) Enrolled Affiliate must adhere to any Product-specific processes or requirements for re-imaging identified in the Product Terms.
   Re-imaged Products remain subject to the terms and use rights of the License acquired from the separate source. This subsection does not create or extend any Microsoft warranty or support obligation.

5. Transferring and reassigning Licenses.
   a. License transfers. License transfers are not permitted, except that Customer or an Enrolled Affiliate may transfer only fully-paid perpetual licenses to:
      (i) an Affiliate, or
      (ii) a third party solely in connection with the transfer of hardware or employees to whom the Licenses have been assigned as part of (A) a privatization of an Affiliate or agency or of an
operating division of Enrolled Affiliate or an Affiliate. (B) a reorganization, or (C) a consolidation.

Upon such transfer, Customer or Enrolled Affiliate must uninstall and discontinue using the licensed Product and render any copies unusable.

b. Notification of License Transfer. Enrolled Affiliate must notify Microsoft of a License transfer by completing a license transfer form, which can be obtained from http://www.microsoft.com/licensing/adapt/forms and sending the completed form to Microsoft before the License transfer. No License transfer will be valid unless Enrolled Affiliate provides to the transferee, and the transferee accepts in writing, documents sufficient to enable the transferee to ascertain the scope, purpose and limitations of the rights granted by Microsoft under the licenses being transferred (including the applicable Use Rights, use and transfer restrictions, warranties and limitations of liability). Any License transfer not made in compliance with this section will be void.

c. Internal Assignment of Licenses and Software Assurance. Licenses and Software Assurance must be assigned to a single user or device within the Enterprise. Licenses and Software Assurance may be reassigned within the Enterprise as described in the Use Rights.

6. Term and termination.

a. Term. The term of this Agreement will be 36 full calendar months from the effective date unless terminated by either party as described below. Each Enrollment will have the term provided in that Enrollment.

b. Termination without cause. Either party may terminate this Agreement, without cause, upon 60 days' written notice. In the event of termination, new Enrollments will not be accepted, but any existing Enrollment will continue for the term of such Enrollment and will continue to be governed by this Agreement.

c. Mid-term termination for non-appropriation of Funds. Enrolled Affiliate may terminate this Agreement or an Enrollment without liability, penalty or further obligation to make payments if funds to make payments under the Agreement or Enrollment are not appropriated or allocated by the Enrolled Affiliate for such purpose.

d. Termination for cause. Without limiting any other remedies it may have, either party may terminate an Enrollment if the other party materially breaches its obligations under this Agreement, including any obligation to conform to standards or pay invoices. Except where the breach is by its nature not curable within 30 days, the terminating party must give the other party 30 days' notice of its intent to terminate and an opportunity to cure the breach.

If Microsoft gives such notice to an Enrolled Affiliate, Microsoft also will give Customer a copy of that notice and Customer agrees to help resolve the breach. If the breach affects other Enrollments and cannot be resolved between Microsoft and Enrolled Affiliate, together with Customer's help, within a reasonable period of time, Microsoft may terminate this Agreement and all Enrollments under it. If an Enrolled Affiliate ceases to be Customer's Affiliate, it must promptly notify Microsoft, and Microsoft may terminate the former Affiliate's Enrollment. If an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates an Enrollment because Enrolled Affiliate ceases to be Customer's Affiliate, then Enrolled Affiliate will have the early termination rights described in the Enrollment.

e. Early termination. If (1) an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or (2) if Microsoft terminates an Enrollment because the Enrolled Affiliate has ceased to be an Affiliate of Customer, or (3) Enrolled Affiliate terminates an Enrollment for non-appropriation of funds, or (4) Microsoft terminates an Enrollment for non-payment due to non-appropriation of funds, then the Enrolled Affiliate will have the following options:

(f) It may immediately pay the total remaining amount due, including all installments, in which case, the Enrolled Affiliate will have perpetual rights for all Licenses it has ordered; or
(ii) It may pay only amounts due as of the termination date, in which case the Enrolled Affiliate will have perpetual Licenses for:

1) all copies of Products (including the latest version of Products ordered under SA coverage in the current term) for which payment has been made in full, and

2) the number of copies of Products it has ordered (including the latest version of Products ordered under Software Assurance coverage in current term) that is proportional to the total of installment payments paid versus total amounts due (paid and payable) if the early termination had not occurred.

(iii) In the case of early termination under subscription Enrollments, Enrolled Affiliate will have the following options:

1) For eligible Products, Enrolled Affiliate may obtain perpetual Licenses as described in the section of the Agreement titled “Buy-out option,” provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.

2) In the event of a breach by Microsoft, if Customer chooses not to exercise a buy-out option, Microsoft will issue Enrolled Affiliate a credit for any amount paid in advance for Subscription Licenses that the Enterprise will not be able to use to do the termination of the Enrollment.

Nothing in this section shall affect perpetual License rights acquired either in a separate agreement or in a prior term of the terminated Enrollment.

f. Effect of termination or expiration. When an Enrollment expires or is terminated,

(i) Enrolled Affiliate must order Licenses for all copies of Products it has run for which it has not previously submitted an order. Any and all unpaid payments for any order of any kind remain due and payable. Except as provided in the subsection titled “Early termination,” all unpaid payments for Licenses immediately become due and payable.

(ii) Enrolled Affiliate’s right to Software Assurance benefits under this Agreement ends if it does not renew Software Assurance.

g. Modification or termination of an Online Service for regulatory reasons. Microsoft may modify or terminate an Online Service where there is any current or future government requirement or obligation that: (1) subjects Microsoft to any regulation or requirement not generally applicable to businesses operating in the jurisdiction; (2) presents a hardship for Microsoft to continue operating the Online Service without modification; and/or (3) causes Microsoft to believe these terms or the Online Service may conflict with any such requirement or obligation.

II. Program updates. Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments at the time of an Enrollment renewal.

7. Use, ownership, rights, and restrictions.

a. Products. Unless otherwise specified in a supplemental agreement, use of any Product is governed by the Use Rights specific to each Product and version and by the terms of the applicable supplemental agreement.

b. Fixes. Each Fix is licensed under the same terms as the Product to which it applies. If a Fix is not provided for a specific Product, any use rights Microsoft provides with the Fix will apply.

c. Non-Microsoft software and technology. Enrolled Affiliate is solely responsible for any non-Microsoft software or technology that it installs or uses with the Products or Fixes.
d. Restrictions. Enrolled Affiliate must not (and is not licensed to) (1) reverse engineer, decompile, or disassemble any Product or Fix; (2) install or use non-Microsoft software or technology in any way that would subject Microsoft’s intellectual property or technology to any other license terms; or (3) work around any technical limitations in a Product or Fix or restrictions in Product documentation. Customer must not (and is not licensed to) (i) separate and run parts of a Product or Fix on more than one device, upgrade or downgrade parts of a Product or Fix at different times, or transfer parts of a Product or Fix separately; or (ii) distribute, sublicense, rent, lease, lend any Products or Fixes, in whole or in part, or use them to offer hosting services to a third party.

e. Reservation of rights. Products and Fixes are protected by copyright and other intellectual property rights laws and international treaties. Microsoft reserves all rights not expressly granted in this agreement. No rights will be granted or implied by waiver or estoppel. Rights to access or use Software on a device do not give Customer any right to implement Microsoft patents or other Microsoft intellectual property in the device itself or in any other software or devices.

8. Confidentiality.

"Confidential Information” is non-public information that is designated “confidential” or that a reasonable person should understand is confidential, including Customer Data. Confidential Information does not include information that (a) becomes publicly available without a breach of this agreement, (b) the receiving party received lawfully from another source without a confidentiality obligation, (c) is independently developed, or (d) is a comment or suggestion volunteered about the other party’s business, products or services.

Each party will take reasonable steps to protect the other’s Confidential Information and will use the other party’s Confidential Information only for purposes of the parties’ business relationship. Neither party will disclose that Confidential Information to third parties, except to its employees, Affiliates, contractors, advisors and consultants (“Representatives”) and then only on a need-to-know basis under nondisclosure obligations at least as protective as this agreement. Each party remains responsible for the use of the Confidential Information by its Representatives and, in the event of discovery of any unauthorized use or disclosure, must promptly notify the other party.

A party may disclose the other’s Confidential Information if required by law, but only after it notifies the other party (if legally permissible) to enable the other party to seek a protective order.

Neither party is required to restrict work assignments of its Representatives who have had access to Confidential Information. Each party agrees that the use of information retained in Representatives’ unaided memories in the development or deployment of the parties’ respective products or services does not create liability under this Agreement or trade secret law, and each party agrees to limit what it discloses to the other accordingly.

These obligations apply (i) for Customer Data until it is deleted from the Online Services, and (ii) for all other Confidential Information, for a period of five years after a party receives the Confidential Information.

a. Enrolled Affiliate consents to the processing of personal information by Microsoft and its agents to facilitate the subject matter of this Agreement. Enrolled Affiliate will obtain all required consents from third parties under applicable privacy and data protection law before providing personal information to Microsoft.

b. Personal information collected under this agreement (i) may be transferred, stored and processed in the United States or any other country in which Microsoft or its service providers maintain facilities and (ii) will be subject to the privacy terms specified in the Use Rights. Microsoft will abide by the requirements of European Economic Area and Swiss data protection
law regarding the collection, use, transfer, retention, and other processing of personal data from the European Economic Area and Switzerland.

c. U.S. export. Products and Fixes are subject to U.S. export jurisdiction. Enrolled Affiliate must comply with all applicable international and national laws, including the U.S. Export Administration Regulations and International Traffic in Arms Regulations, and end-user, end use and destination restrictions issued by U.S. and other governments related to Microsoft products, services and technologies.

10. Warranties.

a. Limited warranties and remedies.

(i) Software. Microsoft warrants that each version of the Software will perform substantially as described in the applicable Product documentation for one year from the date the Enterprise is first licensed for that version. If it does not and the Enterprise notifies Microsoft within the warranty term, then Microsoft will, at its option (1) return the price Enrolled Affiliate paid for the Software license, or (2) repair or replace the Software.

(ii) Online Services. Microsoft warrants that each Online Service will perform in accordance with the applicable SLA during the Enterprise’s use. The Enterprise’s remedies for breach of this warranty are in the SLA.

The remedies above are the Enterprise’s sole remedies for breach of the warranties in this section. Customer waives any breach of warranty claims not made during the warranty period.

b. Exclusions. The warranties in this agreement do not apply to problems caused by accident, abuse, or use in a manner inconsistent with this Agreement, including failure to meet minimum system requirements. These warranties do not apply to free, trial, pre-release, or beta products, or to components of Products that Enrolled Affiliate is permitted to redistribute.

c. Disclaimer. Except for the limited warranties above, Microsoft provides no other warranties or conditions and disclaims any other express, implied, or statutory warranties, including warranties of quality, title, non-infringement, merchantability, and fitness for a particular purpose.

11. Defense of third party claims.

The parties will defend each other against the third-party claims described in this section and will pay the amount of any resulting adverse final judgment or approved settlement, but only if the defending party is promptly notified in writing of the claim and has the right to control the defense and any settlement of it. The party being defended must provide the defending party with all requested assistance, information, and authority. The defending party will reimburse the other party for reasonable out-of-pocket expenses it incurs in providing assistance. This section describes the parties' sole remedies and entire liability for such claims.

a. By Microsoft. Microsoft will defend Enrolled Affiliate against any third-party claim to the extent it alleges that a Product or Fix made available by Microsoft for a fee and used within the scope of the license granted (unmodified from the form provided by Microsoft and not combined with anything else) misappropriates a trade secret or directly infringes a patent, copyright, trademark or other proprietary right of a third party. If Microsoft is unable to resolve a claim of infringement under commercially reasonable terms, it may, at its option, either (1) modify or replace the Product or Fix with a functional equivalent; or (2) terminate Enrolled Affiliate’s license and refund any prepaid license fees (less depreciation on a five-year, straight-line basis) for perpetual licenses and any amount paid for Online Services for any usage period after the termination date. Microsoft will not be liable for any claims or damages due to Enrolled Affiliate’s continued use of a Product or Fix after being notified to stop due to a third-party claim.

b. By Enrolled Affiliate. To the extent permitted by applicable law, Enrolled Affiliate will defend Microsoft against any third-party claim to the extent it alleges that: (1) any Customer Data or
12. Limitation of liability.

For each Product, each party's maximum aggregate liability to the other under this Agreement is limited to direct damages finally awarded in an amount not to exceed the amounts Enrolled Affiliate was required to pay for the applicable Products during the term of this Agreement, subject to the following:

a. Online Services. For Online Services, Microsoft's maximum liability to Enrolled Affiliate for any incident giving rise to a claim will not exceed the amount Enrolled Affiliate paid for the Online Service during the 12 months before the incident.

b. Free Products and Distributable Code. For Products provided free of charge and code that Enrolled Affiliate is authorized to redistribute to third parties without separate payment to Microsoft, Microsoft's liability is limited to direct damages finally awarded up to US$5,000.

c. Exclusions. In no event will either party be liable for indirect, incidental, special, punitive, or consequential damages, or for loss of use, loss of business information, loss of revenue, or interruption of business, however caused or on any theory of liability.

d. Exceptions. No limitation or exclusions will apply to liability arising out of either party's confidentiality obligations (except for all liability related to Customer Data, which will remain subject to the limitations and exclusions above); defense obligations; or violation of the other party's intellectual property rights.

13. Verifying compliance.

a. Right to verify compliance. Enrolled Affiliate must keep records relating to all use and distribution of Products by Enrolled Affiliate and its Affiliates. Microsoft has the right, at its expense, to the extent permitted by applicable law, to verify compliance with the Product's license terms. Enrolled Affiliate must promptly provide the independent auditor with any information the auditor reasonably requests in furtherance of the verification, including access to systems running the Products and evidence of Licenses for Products Enrolled Affiliate hosts, sublicenses, or distributes to third parties. Enrolled Affiliate agrees to complete Microsoft's self-audit process, which Microsoft may require as an alternative to a third party audit.

b. Remedies for non-compliance. If verification or self-audit reveals any unlicensed use or distribution, then within 30 days, (1) Enrolled Affiliate must order sufficient Licenses to cover that use or distribution, and (2) if unlicensed use or distribution is 5% or more, Enrolled Affiliate must reimburse Microsoft for the cost Microsoft has incurred in verification and acquire the necessary additional licenses at 125% of the price based on the then-current price list and Enrolled Affiliate price level. The unlicensed use percentage is based on the total number of licenses purchased compared to actual install base. If there is no unlicensed use, Microsoft will not subject Enrolled Affiliate to another verification for at least one year. By exercising the rights and procedures described above, Microsoft does not waive its rights to enforce this Agreement or to protect its intellectual property by any other means permitted by law.

c. Verification process. Microsoft will notify Enrolled Affiliate at least 30 days in advance of its intent to verify Enrolled Affiliate's compliance with the license terms for the Products Enrolled Affiliate and its Affiliates use or distribute. Microsoft will engage an independent auditor, which will be subject to a confidentiality obligation. Any information collected in the self-audit will be used solely for purposes of determining compliance. This verification will take place during normal business hours and in a manner that does not interfere unreasonably with Enrolled Affiliate's operations.

a. Use of contractors. Microsoft may use contractors to perform services, but will be responsible for their performance subject to the terms of this Agreement.

b. Microsoft as independent contractor. The parties are independent contractors. Enrolled Affiliate and Microsoft each may develop products independently without using the other’s Confidential information.

c. Notices. Notices to Microsoft must be sent to the address on the signature form. Notices must be in writing and will be treated as delivered on the date shown on the return receipt or on the courier or fax confirmation of delivery. Microsoft may provide information to Enrolled Affiliate about upcoming ordering deadlines, services, and subscription information in electronic form, including by email to contacts provided by Enrolled Affiliate. Emails will be treated as delivered on the transmission date.

d. Agreement not exclusive. Customer is free to enter into agreements to license, use or promote non-Microsoft products.

e. Amendments. Any amendment to this Agreement must be executed by both parties, except that Microsoft may change the Product Terms and the Use Rights from time to time in accordance with the terms of this Agreement. Any conflicting terms and conditions contained in an Enrolled Affiliate’s purchase order will not apply. Microsoft may require Customer to sign a new agreement or an amendment before an Enrolled Affiliate enters into an Enrollment under this agreement.

f. Assignment. Either party may assign this Agreement to an Affiliate, but must notify the other party in writing of the assignment. Any other proposed assignment must be approved by the non-assigning party in writing. Assignment will not relieve the assigning party of its obligations under the assigned agreement. Any attempted assignment without required approval will be void.

g. Applicable law; dispute resolution. The terms of this Agreement will be governed by the laws of Customer’s state, without giving effect to its conflict of laws. Disputes relating to this Agreement will be subject to applicable dispute resolution laws of Customer’s state.

h. Severability. If any provision in this agreement is held to be unenforceable, the balance of the agreement will remain in full force and effect.

i. Waiver. Failure to enforce any provision of this agreement will not constitute a waiver. Any waiver must be in writing and signed by the waiving party.

j. No third-party beneficiaries. This Agreement does not create any third-party beneficiary rights.

k. Survival. All provisions survive termination or expiration of this Agreement except those requiring performance only during the term of the Agreement.

l. Management and Reporting. Customer and/or Enrolled Affiliate may manage account details (e.g., contacts, orders, Licenses, software downloads) on Microsoft’s Volume Licensing Service Center (“VLSC”) web site (or successor site) at: https://www.microsoft.com/licensing/vlsccenter. Upon the effective date of this Agreement and any Enrollments, the contact(s) identified for this purpose will be provided access to this site and may authorize additional users and contacts.

m. Order of precedence. In the case of a conflict between any documents in this Agreement that is not expressly resolved in those documents, their terms will control in the following order from highest to lowest priority: (1) this Enterprise Agreement, (2) any Enrollment, (3) the Product Terms, (4) the Online Services Terms, (5) orders submitted under this Agreement, and (6) any other documents in this Agreement. Terms in an amendment control over the amended document and any prior amendments concerning the same subject matter.
n. **Free Products.** It is Microsoft's intent that the terms of this Agreement and the Use Rights be in compliance with all applicable federal law and regulations. Any free Product provided to an Enrolled Affiliate is for the sole use and benefit of the Enrolled Affiliate, and is not provided for use by or personal benefit of any specific government employee.

o. **Voluntary Product Accessibility Templates.** Microsoft supports the government's obligation to provide accessible technologies to its citizens with disabilities as required by Section 508 of the Rehabilitation Act of 1973, and its state law counterparts. The Voluntary Product Accessibility Templates ("VPATs") for the Microsoft technologies used in providing the Online Services can be found at Microsoft's VPAT page. Further information regarding Microsoft's commitment to accessibility can be found at [http://www.microsoft.com/enable](http://www.microsoft.com/enable).

p. **Natural disaster.** In the event of a "natural disaster," Microsoft may provide additional assistance or rights by posting them on [http://www.microsoft.com](http://www.microsoft.com) at such time.

q. **Copyright violation.** Except as set forth in the section above entitled "Transferring and reassigning Licenses", the Enrolled Affiliate agrees to pay, and comply with the terms of this Agreement and the Use Rights, for the Products it uses. Except to the extent Enrolled Affiliate is licensed under this Agreement, it will be responsible for its breach of this contract and violation of Microsoft's copyright in the Products, including payment of License fees specified in this Agreement for unlicensed use.

*The examples include online services that are available in either the commercial or government cloud offerings.

**Qualifying Enterprise Online Services are identified in the Product Terms with the call value of "FO" in the tables for Program Availability. The scope of Enterprise Online Services is subject to change as Enterprise Online Services are added, updated, revised or removed from the Enterprise program offering.

Exclusions apply to the additional 2% discount on Enterprise Online Services as follows:
• The price list month that applies to an order is not a factor in determining whether the additional 2% discount on Enterprise Online Services may be applied to an order. The only applicable factor is the effective date of the Enrollment.

• The discount does not apply to any extensions of the Initial Term or renewal Enrollments.

• The discount does not apply to any promotional SKUs. Enrolled Affiliate is entitled to the lower of the promotional price or discounted price.

The price level that applies to Enrollment is effective on or after November 1, 2021 is Level D for all Products.

The Reseller and the Enrolled Affiliate will determine the Enrolled Affiliate’s actual price and payment terms.
