Action Items

Public Hearing opened at 8:08 P.M.

Public Hearing closed at 9:30 P.M.

Council took a break at 9:30 P.M. and returned at 9:42 P.M.

MOTION: Council Member Kniss moved, seconded by Council Member Kou to add to the conditions of approval:

A. Reduce the basement depth to 8 feet in total dimension, which includes the exterior wall;

B. Add Catherine Martineau’s recommendations:

   i. Reporting tree protection compliance during construction. In addition to daily inspection reporting during demolition phase, a mandatory Contractor and Arborist Monthly Tree Activity Report shall be sent monthly to the City Urban Forester beginning with issuance of building permit, using the template in the Tree Technical Manual, Addendum 11. The Contractor and Owner shall implement any corrective actions as directed by project arborist or Urban Forester;

   ii. Basement and light well excavation should utilize vertical cut, I-beam and lagging or other minimal-cut method that leaves rooting soil intact, if approved by the Urban Forester; and

   iii. The building permit shall include a comprehensive landscape plan prepared by a landscape architect, approved by both the Project Arborist and Urban Forester. The plan shall include plantings required by Condition Number 13, and in the rear yard...
specify Valley Oak compatible plant species comparable to Tree Technical Manual, Addendum 5, Landscaping Under Native Oaks; and

C. Allow the plans to go up an additional 2 feet from the ground.

INCORPORATED INTO THE MOTION WITH THE CONSENT OF THE MAKER AND SECONDER to change the Motion to read, “...to approve the project with the following conditions:”

INCORPORATED INTO THE MOTION WITH THE CONSENT OF THE MAKER AND SECONDER “…Modify conditions of approval to:

i. Direct Staff to add all recommendations from the Arborist Report as additional conditions of approval;

ii. Change Condition Number 30 to read, “For the duration of hand demolition within the Tree Protection Zone, the project Arborist shall be on site to ensure that tree protection measures, materials and best practices are being employed by the contractor and on-site foreman overseeing the work”; and

iii. Change Condition Number 32 to read, “The tree appraisal duration period shall be ten years from the date of final occupancy...”. (New Part D)

SUBSTITUTE MOTION: Council Member Cormack moved, seconded by Council Member Filseth to uphold the Planning and Development Services Director’s approval of the Individual Review (IR) application. (File No. 18PLN-00339).
