SUBJECT: LIST OF POLICE DEPARTMENT COMMUNITY OUTREACH ACTIVITIES

This is an informational report and no action is required by the City Council.

DISCUSSION
At the Human Relations Commission (HRC) meeting of June 12, 2008, the Police Department presented a list of community outreach activities that have been conducted with emphasis on the last five years. Vice Mayor Drekmeier, the Council liaison to the HRC, requested that the information be provided to the City Council.

The attached list provides information on the various programs and activities that the Police Department has initiated and implemented in efforts to increase public trust and cooperation.

RESOURCE IMPACT
The majority of these activities are done as collateral duties by Department personnel. It should be noted that a few of these programs are conducted by officers and Department personnel on their own time.
