PROCEDURE FOR SALE/TRANSFER OF DEVELOPMENT RIGHTS FOR CITY-OWNED PROPERTY

(Policy and Procedures 1-46/ASD)

POLICY STATEMENT

It is the policy of the City of Palo Alto that the disposal of City property and assets, including the transfer of certified development rights, be accomplished through a public bid process. To assure the highest return for sale of its assets, the process involves an appraisal of fair market value and an open and competitive bid process. The City Council may reject any or all bids and accept that bid which will, in its opinion, best serve the public interest.

1. Following designation of a city-owned site as an eligible “sender site,” and determination of a floor area bonus in accordance with Palo Alto Municipal Code Chapters 18.18.070, 18.18.080 and 18.28.060 (d), the Real Property Manager shall appraise (or have appraised) the value of the rights to be sold to determine a minimum bid.

2. The Real Estate Division shall prepare a Request for Proposals (RFP) to be placed on the Council Consent Calendar for approval. The RFP shall specify whether overbids shall be accepted.

3. Upon approval by the Council:

   1) An ad shall be placed in the Real Estate section of the local newspapers.
   2) Flyers advising of the offering shall be sent to all persons on the Real Estate Division “Surplus Property Mailing List,” persons owning eligible “receiver sites,” local developers and others likely to be interested in the offering.

4. The bid opening shall be scheduled by the Real Property Manager and the Purchasing Manager. At the bid opening the Purchasing Division shall:

   1) Open Sealed bids
   2) If specified in the RFP, accept oral bidding beginning at 5% above the highest written bid.

5. The Real Estate Division shall forward the results of the bidding to the Council with a staff recommendation. The Council may reject any or all bids and accept that bid which will, in its opinion, best serve the public interest.
