FROM:                    CITY MANAGER                DEPARTMENT: PLANNING AND
                        COMMUNITY ENVIRONMENT
DATE:                    JULY 22, 2002               CMR:358:02
SUBJECT:                 DISCUSSION OF CHANGES TO CMR:343:02; APPROVAL OF
                        RESOLUTION ESTABLISHING NO PARKING ZONES ON ALMA
                        STREET NORTH OF LYTTON AVENUE, AND ON LYTTON AVENUE
                        EAST OF ALMA STREET

DISCUSSION
On July 15, 2002, CMR 343:02 was removed from the consent calendar of the Council
agenda in response to a concern from one of the Council Members regarding one of staff’s
recommendations.

The concern involved staff’s recommendation that four on-street parking spaces be removed
along Lytton Avenue in order to make room for a 150-foot long right-turn pocket on Lytton
Avenue at Alma Street. Staff was asked if fewer spaces could be removed, while still
maintaining the functionality of the right-turn pocket. It is staff’s opinion that two of these
four on-street parking spaces could be maintained, which would provide room for a 120-foot
long right-turn pocket, without significantly compromising the functionality of the right-turn
pocket. The attached CMR has been modified to reflect this change.
