• Stakeholder Advisory Committee Member Introductions
Today’s Meeting Agenda

• BCCP Overview
  – What is it?
  – Planning process
  – Steps to date
  – Opportunities for involvement
  – What kind of input are we looking for?

• Stakeholder Activity
  – Share your ideas
BCCP Overview

• What is it?
  – A comprehensive plan for holistically managing the City of Palo Alto’s 1,976.5 acre Baylands Preserve for the next 15 years and beyond
  – An ecosystem-based approach that strives to balance resource protection, environmental education, and passive and active recreational use
  – Takes future projects and current trends into account, such as sea level rise and climate change
  – Includes site-specific aspects for the ITT property and Byxbee Park
BCCP Overview (cont’d)

• Planning Process
  – 18 month process (June 2017 to December 2018)
  – Incorporation of 2008 Baylands Master Plan Update
  – New trends/projects/data
  – Stakeholder outreach and engagement
  – 12 distinct tasks
BCCP Overview (cont’d)

• Objectives
  – Identify Existing Habitat Areas, Uses and Management Practices
  – Summarize Future Planned Changes to Land, Uses, and Activities
  – Opportunities Analysis, Best Management Practices, and Recommendations
  – Impacts to Baylands from Climate Change and Sea Level Rise
  – Baylands Action Plan
  – Design Plan for Byxbee Park Hills Master Plan
  – Assessment of Baylands Former ITT Property
BCCP Overview (cont’d)

• Steps to date
  – Develop Work Plan
  – Document Existing Conditions
    • Kick-off and site tour
    • Habitat mapping and database searches
    • Interviews with rangers and Save the Bay staff
    • Draft report and maps
  – Develop Stakeholder Engagement Plan
BCCP Overview (cont’d)

• Opportunities for Involvement
  – Stakeholder Workshops (3)
  – Presentation of draft BCCP and final BCCP (2)
  – Review of Deliverables
    • Draft Existing Conditions Report
    • Draft Action Plan
    • Draft Design Plan for Byxbee Park Master Plan
    • Draft ITT Property Use Scenarios Report
BCCP Overview (cont’d)

• What kind of input are we looking for?
  – Ideas and input on vision, goals and objectives
  – Your knowledge of opportunities and constraints
  – Input on future use of ITT properties and final design plan for Byxbee Park
  – Issues and concerns about the planning process
  – Are there others we should reach out to who will have valuable input?
BCCP Stakeholder Workshop 1

Stakeholder Activity
Group Discussion

• Input Summary
Thank You
