MISSING SOMETHING IN YOUR DRINK? THERE'S A REASON FOR THAT.

PLASTIC STRAWS ARE HURTING OUR OCEAN.
We've committed to serve straws only upon request. Let us know what you think!

WHY DID WE SWITCH?
PLASTIC STRAWS END UP IN OUR OCEAN.
We use 500 MILLION plastic straws everyday in the U.S. alone. Many plastic straws are NOT recyclable and end up in our ocean, polluting the water and harming sealife.

If we don't act now, by 2050 there will be more plastic than fish in our ocean.

Organized by
Girl Scout Troop 60016

Together we can make the world a better place!

IT'S DRINKING STRAW AWARENESS MONTH IN THE BAY AREA!
THIS IS THE LAST STRAW!
HERE'S HOW YOU CAN HELP:

🔍 GO STRAWLESS!

🔍 ELIMINATE SINGLE-USE PLASTICS AT HOME AND SWITCH TO REUSABLE PRODUCTS.

🔍 SPREAD AWARENESS ON SINGLE-USE DRINKING STRAWS AND HELP PEOPLE BECOME MORE MINDFUL ON PLASTIC USE. ONE STRAW AT A TIME!

🔍 SUPPORT RESTAURANTS THAT SERVE STRAWS ONLY BY REQUEST. FIND PARTICIPATING RESTAURANTS AT CITYOFPALOALTO.ORG/THISISTHELASTSTRAW
