8. ADJOURNMENT 8:00 PM
Tuesday, January 7, 2020
6:15 P.M.

Embarcadero ROOM, Rinconada LIBRARY
1213 Newell Road, Palo Alto, CA

Members Present: Eric Nordman (Chair), Ken Joye (Vice Chair), Bruce Arthur, Cedric de la Beaujardiere, Kathy Durham, Paul Goldstein, Art Liberman, Robert Neff, Rob Robinson, Steve Rock, Jane Rothstein, Richard Swent, Alan Wachtel, Bill Zauman

Members Absent: Bill Courington, Ann Crichton, Penny Ellson, David Hirsch, Owen Longstreth,

Staff Present: Sylvia Star-Lack, Joanna Chan

Guest:

1. CALL TO ORDER at 6:15 p.m.

2. AGENDA CHANGES

None

3. APPROVAL OF ACTION MINUTES

Motion by Mr. Neff, seconded by Mr. Swent, to approve the minutes of November 5, 2019, as presented. Motion passed 7-0 with Vice Chair Joye abstaining.

4. PUBLIC COMMENTS AND ANNOUNCEMENTS

None

5. STAFF UPDATES:

   a. Safe Routes to Schools

Jose Palma introduced himself as the new Safe Routes to School Coordinator. Selection of the priorities for the fourth year of the Five Year Plan and preparation of an Equity Plan are underway. Spring bicycle education at PAUSD schools will include a walking field trip for second graders, refresher training for fifth graders, and the getting to high school program for
eighth graders. Staff is working with Stanford Research Park to develop better visualization of
data.

In response to questions, Sylvia Star-Lack reported the City's equity efforts have been translating
resources into multiple languages and ensuring Safe Routes to School cover the entire city. Currently, the City has no facilities that children with special needs can use. There is a
movement to convert road signs from text to graphics to benefit diverse populations. Mr. Palma
will be working with high school students to develop meaningful programming for high school
students. Road signs have to comply with State requirements.

b. Pedestrian Hybrid Beacons

Joanna Chan reported that electricity has been connected to four of the five beacons, but Caltrans
has not released a date when the beacons will be operational.

c. Bicycle Boulevard Report

Ms. Chan indicated the report is tentatively scheduled for Council discussion and possibly action
on February 24. Staff will continue collecting data as long as possible; therefore, staff is
uncertain when the staff report could be shared prior to the Council meeting.

d. Palo Alto Bicycle & Pedestrian Plan 2012 Update

Ms. Chan reported staff will request funding for the Bicycle and Pedestrian Plan update in the
fiscal year 2021 budget, but work cannot begin until the Council acts on the bicycle boulevard
report.

e. Charleston-Arastradero Corridor

Ms. Chan related that Phase I construction on the Hetch Hetchy bike path will begin in January
while Phase II irrigation and planting is almost complete. Public Works, Transportation, and the
Fire Department will work with PAUSD regarding the median at the Hoover Elementary exit
driveway. The Council has not approved Phase III.

Mr. Rock advised that the merge arrow on westbound Charleston between Nelson and
Middlefield to be modified to eliminate confusion for drivers.

Ms. Durham noted the Hetch Hetchy bike path is closed and work is being done on the bike path.

f. Traffic Circle at Park Boulevard/Stanford Avenue

Ms. Chan indicated the project, which is a part of the Bicycle Boulevard Phase II work, is on
hold pending Council action on the bicycle boulevard report. Ms. Star-Lack added that all
bicycle projects will be subject to community engagement and review.

PABAC discussed the traffic circle and the need for safety improvements and suggested the use
of rolled curbs and bollards.
6. DISCUSSION ITEMS:

a. 2020 Chair and Vice Chair Election

Motion by Chair Nordman, seconded by Mr. Rock, to approve Ken Joye as Chair. Motion passed 13-0.

Motion by Mr. Liberman, seconded by Mr. Robinson, to approve Art Liberman as Vice Chair. Motion passed 12-0.

b. Page Mill Road at Hanover Street

Ms. Chan explained that the City is a supplemental reviewer for the County project. Mr. Ruis is working with the County.

Mr. Goldstein did not believe the signal could be tripped from the right-hand lane on Hanover in both directions.

7. STANDING ITEMS:

a. VTA BPAC Update

Mr. Neff reported that the December meeting included presentations from Caltrans and San Jose Vision Zero. The new VTA bus network is operating. The carbon impact of people taking VTA express buses is about the same as driving solo. The total cost of Page Mill/280 bicycle safety improvements will be approximately $1.1 million.

9. ANNOUNCEMENTS:

Mr. de la Beaujardiere indicated that in its January 9 meeting, the VTA Board will consider moving public comment to the end of the agenda, increasing bus funding, and declaring a climate emergency.

Ms. Durham suggested that the City should look into ways to promote bus and shuttle services rather than expecting people to gather information from the City and VTA websites.

Ms. Rothstein announced the winter biking class will be held in Redwood City on February 5, 2020 at 4:30pm.

10. ADJOURNMENT at 7:30 p.m.
