City of Palo Alto

MEMORANDUM

To: Council Appointed Officers Committee
From: Councilmember Eric Filseth, City Auditor RFP Ad Hoc Subcommittee
Greg Larson, Partner with Management Partners (Lead, consultant support)

Date: May 26, 2020

SUBJECT: Agenda Item #1: Update on the Internal Auditing Request for Proposals and Direction on Next Steps

Executive Summary
Per City Council direction, the City successfully released a request for proposals for internal auditing services and six proposals were received. However, all of the proposals had defects and four were determined to be non-responsive.

It is recommended that all proposals be rejected in accordance with Municipal Code requirements and that the request for proposals be released again pursuant to a new schedule resulting in contract approval by the end of August.

Background
On February 10, 2020, the City Council unanimously requested the Council Appointed Officers Committee (CAO Committee) to initiate a request for proposals (RFP) process to engage an outside firm to provide internal auditor services for the City of Palo Alto. The RFP was released as scheduled on April 21, 2020.

On May 4, 2017, the City Council unanimously approved an RFP evaluation process and schedule as recommended by the Council Appointed Officers Committee.

On May 15, 2020, six proposals were received for providing internal auditing services to the City of Palo Alto, and an RFP Evaluation Team was established consisting of Councilmember Eric Filseth as the Ad Hoc City Auditor RFP Subcommittee, former Councilmember and Mayor Larry Klein as the CAO Committee Chair appointee, and Greg Larson, a consultant with Management Partners supporting the process.

Discussion
None of the submitted proposals included all of the information required by the RFP instructions. In addition, four of the proposals were determined to be non-responsive for failure...
to list current and prior litigation per the City’s standard RFP requirement.

The failure of sufficient proposals to fully meet the City’s purchasing standards can likely be attributed to:

1) The short time frame to submit proposals for a unique array of services;
2) The COVID 19 pandemic that was erupting during the proposal period; and,
3) Disclosure requirements intended to protect the City that may have been problematic for some of the proposers.

Consequently, both Management Partners and the City Attorney’s Office have jointly recommended that all proposals be rejected and that the RFP be reissued, with modifications, to ensure a fully competitive process for the provision of outsourced internal auditing services for the City of Palo Alto.

Should the CAO Committee agree with this recommendation, then Management Partners will contact all six proposers to identify potential changes to the RFP that might allow fully compliant proposals without undermining the City’s commitment to a thorough RFP process that ensures sufficient disclosure of legal actions as well as reliable financial stability for the proposers.

All other aspects of the RFP itself and the RFP evaluation process would remain consistent with prior CAO Committee and City Council direction.

**Revised Timeline**
Pending City Council approval of the CAO Committee’s recommendation to reject all proposals and reissue the RFP, the revised RFP process would be as follows, if the CAO Committee and Council are able to meet during the summer break:

<table>
<thead>
<tr>
<th>Date</th>
<th>Event Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>June 1</td>
<td>City Council consideration of rejecting all proposals</td>
</tr>
<tr>
<td>June 8</td>
<td>Reissue the RFP, with modifications</td>
</tr>
<tr>
<td>July 10</td>
<td>Submittal of proposals</td>
</tr>
<tr>
<td>July 21</td>
<td>CAO Committee reviews proposal ratings and selects finalist(s)</td>
</tr>
<tr>
<td>July 28</td>
<td>CAO Committee interviews finalist(s)</td>
</tr>
<tr>
<td>July 29</td>
<td>City Council interviews City Auditor candidates</td>
</tr>
<tr>
<td>August 17</td>
<td>City Council consideration of contract for services</td>
</tr>
<tr>
<td>August 24</td>
<td>Special City Council meeting if needed for Council action</td>
</tr>
<tr>
<td>September 1</td>
<td>Commencement of delivery of internal auditing services</td>
</tr>
</tbody>
</table>

It is recommended that this schedule be established by the CAO Committee so that the Committee may modify the schedule as necessary to meet the needs of the City.

**Alternative**
If the CAO Committee decides to continue with the current RFP process and not recommend rejection of all proposals, then the two remaining responsive proposals would be evaluated and brought to the Committee for interviews as previously scheduled next Tuesday, June 2, at 10 am. The City Council could then interview one or two candidates for appointment as City Auditor on Wednesday, June 3, if so recommended by the CAO Committee.
**Stakeholder Engagement**
This work has been based on extensive prior discussion and direction from the City Council during public meetings and overseen by the Council Appointed Officers Committee which has also met in public meetings.

**Environmental Review**
This action is exempt from CEQA and requires no further environmental review.

TITLE: Internal Auditor Services

1. INTRODUCTION

The Palo Alto City Council is seeking proposals from qualified firms to provide Internal Auditor services. The required services and performance conditions are described in the Scope of Services (Attachment B).

In accordance with City Charter and Municipal Code requirements, the Palo Alto City Council must appoint a City Auditor who serves at the will of the Council, and who executes annual Council-approved internal audit plans through the Office of the City auditor. The City Council desires to consider proposals from qualified firms to fulfil the City’s Charter and Municipal Code requirements to provide internal auditing services.

The City Council anticipates budgeting $750,000 for these services in the FY 2020/21 Fiscal Year, subject to final approval and/or adjustment as needs and available funding dictate, and as more fully described in Attachment B, Scope of Services. Proposing firms will be evaluated on a best value basis, based on the criteria set forth in the evaluation section of this RFP, including amongst the criteria the ability to provide the most cost effective and efficient services within the anticipated budget specified herein. The City Council intends to award an initial two-year contract with extensions up to three years.

5.8 Chapter 8 – Proposal Costs Sheet and Rates

I. **Background**

In accordance with City Charter and Municipal Code requirements, the Palo Alto City Council must appoint a City Auditor who serves at the will of the Council, and who executes annual Council-approved internal audit plans through the Office of the City Auditor.

**Mission of the Office of the City Auditor**

The mission of the office of the city auditor is to promote honest, efficient, effective, economical, and fully accountable and transparent city government. This mission is fulfilled by conducting annual performance audits and financial/operational analyses of city departments, programs, services or activities.

These audits are intended to ensure that city management is using its financial, physical, and informational resources effectively, efficiently, economically, ethically, and equitably, and in compliance with laws, regulations, contract and grant requirements, and city policies and procedures.

**City Council Decision to Outsource Internal Auditing Services**

On February 10, 2020, the Palo Alto City Council unanimously voted to issue a Request for Proposals (RFP), overseen by the Council Appointed Officers (CAO) Committee, to consider qualified firms for the provision of internal auditor services. This decision was preceded by the actions briefly described below.

Following the retirement of the City Auditor in February 2019, the City Council authorized consultant engagements to:

- Help to ensure the continuity of operations and completion of work products in the City Auditor’s Office, and
- Conduct a review of public sector and Palo Alto internal auditing practices.

The local government consulting firm Management Partners was engaged in March 2019 to assist with continuity of operations and provided assistance until mid-November 2019. The firm of Kevin W. Harper CPA & Associates was engaged in May 2019 to conduct the internal auditing practices review, delivering a written report to City Council in December 2019.

Key concerns expressed by the City Council during its deliberations included:

- The significant turnover in the City Auditor position in the last decade.
- A high cost per audit as compared with other cities with an internal function,
- Limited implementation of audit recommendations, and
- Limited focus on risk exposure and strengthening internal controls.

Key aspects of the City Council’s decision to outsource the internal audit function included the desire to focus on:

- Annual audit planning through risk-based assessments, and
- The most efficient use of increasingly scarce City resources.
II. Internal Auditor Scope of Services

This section contains the scope of internal auditor services as required by the City Charter and Municipal Code, including the required duties of, and audit tasks to performed by, the City Auditor.

Duties of the City Auditor

The duties of the City Auditor are to:

- Ensure that city departments and officers responsible for accounting and financial management activities comply with statutory requirements and accounting standards.
- Perform internal audits of all the fiscal transactions and operations of the City, in accordance with annual audit plans approved and directed by the City Council, that include:
  - Conducting performance audits of city departments, programs, services or activities,
  - Examination and analysis of fiscal procedures and expenditures,
  - Provision of other analyses of financial and operational data, and
  - Periodic unscheduled audits.

Required Internal Audit Tasks

The following 6 tasks represent the core services to be provided by the selected firm in accordance with RFP and contractual requirements. Pricing for these tasks must be provided in the manner specified in Section IV below, Section 5, Subsection 5.8 of the RFP (Proposal Cost Sheet and Rates) and in further accordance with Attachment E (Cost Proposal).

Task 1. Preparation of Annual Audit Plan:

Prepare an annual audit plan for review by the City Manager and appropriate City Council committee(s), and review and approval by the City Council. The audit plan must identify preliminary objectives of each audit to be performed, the schedule for each audit, and the estimated resources and costs for each audit. The City Auditor will consult with the City Attorney as necessary when developing audit plans. The annual audit plan will be largely based on the risk assessment required in Task 2.

Task 2. Citywide Risk Assessment:

Beginning with year 1 and continuing every other year thereafter, prepare a citywide risk assessment following the same review and approval requirements described in Task 1. This risk assessment will be the primary determinant of subsequent audit activity.

Task 3. Selection of External Financial Auditor and Annual Audit Coordination:

Coordinate the annual external financial audit in each year of the contract term.

The City Charter also requires that the City Auditor to oversee the selection process for the annual external financial auditor. The City anticipates conducting an RFP for this purpose in early 2022. For pricing purposes, proposers should assume that one RFP process will be conducted during the initial anticipated two-year term.

Task 4. Execute Annual Audit Plan:
Conduct a minimum of X internal audits in accordance with the approved annual audit plan. Each internal audit requires the preparation of a written report for review by the City Manager, City Attorney and appropriate committee, and review/approval by the City Council as required. For pricing, proposers may assume that an average annual audit plan consists of X performance audits, X financial/operational audits and X follow-up/unscheduled audits.

Task 5. Preparation of Quarterly Reports and Annual Status Report:
Prepare and issue quarterly reports describing the status and progress toward audit completion, to be provided as information reports to the City Council and reviewed by the appropriate committee.

Prepare and issue an annual report in the first quarter of each fiscal year on the status of recommendations made in completed audits, to be provided as an information report to the City Council and reviewed by the appropriate committee.

Task 6. Evaluation and Benchmarking
Undergo a peer evaluation following the guidelines of the Association of Local Government Auditors every two years (i.e., at the end of the initial two-year contract terms, then every other year thereafter throughout the contract term), or as required by the City Council, so that performance of the internal audit function can be objectively assessed.

Prepare a cost per audit analysis following the first completed contract year, to be submitted at the beginning of the second contract year and every other year thereafter throughout the contract term, that includes benchmark agencies determined by the City Council, and obtain independent third-party certification of data accuracy.

Note: As required by Section 5, Subsection 5.3 of the RPF (Qualifications of the Firm), proposers must include cost per audit information for its past projects identified in Attachment D (Firm Experience).

Last, the City Council will perform periodic Closed Session performance evaluations with the designated City Auditor as allowed by law and performed with the other City Council appointees (the City Manager, City Attorney and City Clerk). It is anticipated that the new City Auditor appointed through this process will have a 6-month evaluation, and then annually thereafter throughout the initial contract term and any extensions granted by the City Council.

III. Internal Auditor Services – Designation of City Auditor, Minimum Experience Requirements, Auditing Standards and Required Disclosures
Consistent with City Charter and Municipal Code provisions, the City Council must appoint a City Auditor who serves at the will of the Council, and who executes annual Council-approved internal audit plans through the Office of the City auditor.

Designation of City Auditor
Proposing firms must designate an employee to fulfill the role of City Auditor, whose designation requires City Council approval and appointment, and whose appointment is subject to at-will modification by the Council.
The successful proposing firm must be willing to contractually accept this requirement and stipulate to reserved rights of the City and City Council to appoint a new City Auditor in the event the City Auditor vacates the appointment for whatever reason. These reserved rights, and corollary firm requirements include but may not be limited to:

- Stipulation that the contracted firm designate a temporary replacement not to exceed 3 months if the City Auditor vacates the appointment without enough time for Council to appoint a replacement.
- Stipulation that a new appointment be conducted in the manner specified by the City Council, subject to applicable laws.
- Continued appointment based on and subject to acceptable performance.
- Contractual allowance of the contracted firm to propose alternative City Auditor(s) for Council consideration during the term of the agreement.

**Minimum Experience Requirements**

Proposing firms, and the proposed City Auditor, must have at least 5 years of experience performing internal audit services to local, state, federal or quasi-public entities, with a focus on performance auditing.

Firms (and the proposed City Auditor) that may not have the required 5 years of public sector experience may include relevant private sector experience so long as City Charter and Municipal Code requirements for auditing standards are demonstrably met.

**Auditing Standards**

In order to be considered for evaluation, the City Auditor must be a Certified Public Accountant (CPA) or Certified Internal Auditor (CIA) in good standing and must maintain such certification during any resultant contract term.

All staff members proposed for internal auditor services in conjunction with this RFP or assigned to internal auditor services under any resultant contract must be able to conduct or assist in conducting internal audits in accordance with Government Accounting Standards, as established by the Comptroller General of the United States, Governmental Accountability Office. Proposers whose staff members hold professional certifications such as CPA, CIA, Certified Government Auditing Professional (CGAP) or Certified Information Systems Auditor (CISA) will be favorably considered.

**Required Disclosures**

In order to be considered for evaluation, proposers must provide complete disclosure of any current or prior incidents within the last 5 years where it is/was alleged that proposer defaulted or failed to perform under contract which led the other party to terminate a contract or initiate termination proceedings whether such proceedings resulted in cured or curable defects.

Proposers must also disclose any civil or criminal litigation or investigation pending which involves the proposer or in which proposer has been judged guilty or liable.

Unless prohibited by law, identify the involved parties and the circumstances of the termination, termination proceedings, civil or criminal litigation, or investigation.
IV. Staffing Plan for Internal Auditor Services

Proposers must provide relevant information on key project team members in accordance with Section 5, Subsection 5.6 of the RFP (Project Staffing).

V. Maintenance of Independent Contractor Status

Proposers must include in their submittals recommendation(s) as to how the firm will ensure staff assigned to internal auditor services will maintain independent contractor status.

VI. Cost Proposal and Best Value Determination

The City Council intends to award a contract to a qualified firm whose proposal and staffing plan for internal auditor services represents the best overall value to the City based on the evaluation criteria and process detailed in the RFP. The cost proposal must be submitted in the format required in Attachment E, Cost Proposal (proposers are encouraged to submit cost proposals on an Excel spreadsheet as long as it conforms to the table format used in the Attachment E).

The City Council is anticipating a Fiscal Year 2020/21 budget of $750,000 for internal auditor services. Proposing firms will be evaluated in large part on their proposed workplans to provide internal auditor services within this budgetary amount.

Note: The current budget includes approximately $1 million for internal auditing services. This amount is anticipated to be reduced to $750,000 as the City Council conducts budget deliberations, based on a recommendation by the Council Appointed Officers (CAO) Committee. Should budget deliberations result in a Fiscal Year 2020/21 budget for internal auditing that restores the full $1 million, then the successful proposer may be asked to submit a proposal to conduct additional audits that, upon mutually agreeable terms, could be included in a resultant contract or a contract amendment, depending on timing of contract award and other factors.

Proposers are encouraged to consider the ramifications of the COVID-19 pandemic and how economic and working conditions may affect the internal audit program and the costs thereof.

Proposers are also encouraged to propose pricing for additional or innovative services not envisioned under this RFP that could result in cost savings or efficiencies, so long as such services are compliant with applicable laws and regulations.

Proposers must provide cost parameters for contract years 3 through 5 as specified in Attachment E.
