Summary Title: Establishing GO Bond Tax Levy for FY 2021

Title: Adoption of a Resolution Establishing Fiscal Year (FY) 2021 Secured and Unsecured Property Tax Levy for the City of Palo Alto’s General Obligation Bond Indebtedness (Measure N)

From: City Manager

Lead Department: Administrative Services

Recommendation
Adopt a resolution (Attachment A) approving the establishment of the Fiscal Year (FY) 2021 property tax levy of $9.56 per $100,000 in Assessed Value (AV) for the secured and utility tax roll and $10.62 per $100,000 in AV for the unsecured tax roll for the City of Palo Alto's Measure N General Obligation (GO) Bond Library Bonds (First and Second Series).

Background
On November 4, 2008, City voters passed Measure N which gave the City authority to issue a maximum amount of $76 million of General Obligation bonds (the "Bonds") for capital improvements to the Mitchell Park, Downtown, and Rinconada (formerly Main) libraries and to construct the Mitchell Park Community Center. The City successfully sold the Bonds in two series to provide $76 million in funds for the design and construction costs. Both Standard and Poor's (S&P) and Moody's awarded their highest credit ratings, Triple A, to both series of Bonds which they affirmed by Standard and Poor's and Moody's in February 2019 and May 2020, respectively.

On March 1, 2016, Council approved the decommissioning of the Library Bond Oversight Committee and accepted a financial report showing approximately $3.0 million in project savings (CMR: 6632). In addition, bond premium of $3.1 million could be used to redeem and/or defease bonds. On June 6, 2016, Council authorized the use of $6.1 million of the Series 2010A & 2013A General Obligation (Measure N) Bonds to defease and/or retire a portion of outstanding bonds and to pay associated redemption costs (CMR: 6993). To maximize savings to property owners the longest bonds were paid off; total savings of $11 million were realized which includes $4.9 million in interest savings over time. Of the $11 million, $5.4 million will be saved through FY 2040 while $5.6 million will be saved from FY 2041 through FY 2044.
As of July 1, 2020, principal amount of $58.8 million is outstanding on the Bonds.

**Discussion**

Debt service payments on these Bonds are paid through ad valorem taxes on all taxable land and improvements (both secured and unsecured assessment roll) within the City. Staff is seeking Council approval of the attached resolution (Attachment A) which authorizes the placement of an ad valorem property tax levy in the amount of $0.00956 per $100 or $9.56 per $100,000 in assessed value (AV) for the secured tax roll; and $0.01062 per $100 or $10.62 per $100,000 in AV for the unsecured tax roll. In comparison, the prior year’s secured and unsecured tax levy was $10.62 and $11.06 respectively, per $100,000 of AV.

The assessment rate for FY 2021 is decreasing for both the secured and unsecured property taxes. The rate decreases are attributable to the rise in the AV for properties throughout Palo Alto by 7.8 percent, an increase of $3.1 billion. In addition, the rise in AV during FY 2021, due to property sales and new construction, resulted in excess collections which further reduced the FY 2021 annual assessment.

As for the unsecured property taxes, per the County of Santa Clara’s methodology, the prior year’s secured tax rate becomes this year’s unsecured tax rate. As a result this rate won’t benefit from the coming year’s Assessed Value increase until FY 2022.

With the new assessment for FY 2021, a house with an assessed value of $1.0 million, for example, would see an annual assessment of $95.60 on their property tax bill. In FY 2020, a $1.0 million home had an assessment of $106.20.

**Resource Impact**

The bond issuances result in a 2021 calendar year debt service expenditure of approximately $4.5 million and Council approval of the attached resolution will result in ad valorem tax levy revenue of $4.1 million with the $0.4 million difference attributable to available funds on hand. Again, secured and unsecured property owners will see a levy of $9.56 and $10.62, respectively, per $100,000 of AV on their FY 2021 property tax statement.

**Environmental Review**

There is no environmental review required for this report.

- Attachment A Resolution Establishing FY 2020-21 Property Tax Levy
Resolution of the Council of the City of Palo Alto Establishing Fiscal Year 2021 Property Tax Levy of $9.56 Per $100,000 of Secured and $10.62 Per $100,000 of Unsecured Assessed Valuations for the City’s General Obligation Bond Indebtedness (Measure N Library Projects)

RECITALS

A. At the City of Palo Alto’s (“City”) general election held on November 4, 2008, more than two-thirds of voters approved Measure N, authorizing the issuance of general obligation bonds in the amount not to exceed $76,000,000 (the “Authorization”) to fund construction of a new Mitchell Park Library and Community center and renovation and improvements to Downtown and Main libraries.

B. Pursuant to the Authorization, the City issued two series (Series 2010A and 2013A) of general obligation bonds in June 2010 and June 2013 that yielded $75.8 million for project needs.

C. The City is obligated to levy ad valorem taxes on all property within the City subject to taxation by the City, without limitation on rate or amount (except with respect to certain personal property which is taxed at limited rates), for the payment of the debt service on the Bonds.

D. The City is obligated to direct the County of Santa Clara to collect such ad valorem taxes in such amounts and at such times as is necessary to ensure the timely payment of debt service on the Bonds.

E. The amount of the annual ad valorem tax levied by the City to repay the Bonds is determined by the relationship between the assessed valuation of taxable property in the City and the amount of debt service due on the bonds.

The Council of the City of Palo Alto RESOLVES as follows:

SECTION 1. Pursuant to the Authorization, an ad valorem property tax is hereby established to be levied on all land and improvements in the City of Palo Alto during Fiscal Year 2021 in the amount of $0.00956 per $100 in assessed value for the secured and utility tax roll and $0.01062 per $100 in assessed value for the unsecured tax roll based on the calculations set forth in the attached Exhibit "A".

SECTION 2. The City’s Director of Administrative Services shall cause a certified copy of this Resolution to be delivered to the Auditor of the County of Santa Clara for entry in the assessment book of the respective sums in dollars and cents, to be paid as established by this Resolution.
SECTION 3. The Council finds that this is not a project under the California Environmental Quality Act and, therefore, no environmental impact assessment is necessary.
