The application, and plans dated May 12, 2020, was reviewed by the ARB Subcommittee on June 4, 2020 in accordance with condition of approval 11(g), as stated below.

ARB CONDITIONS: The owner or designee shall prior to issuance of building permits demonstrate the following to the Planning & Community Environment Director or designee:

g) Re-locate backflow preventer to the rear of the building (if not, then demonstrate to ARB Subcommittee prior to building permit approval)

At the meeting, the Subcommittee (Board members Thompson and Hirsch) agreed with the revisions presented.

The applicant shall ensure these changes are incorporated into the design and this Subcommittee Review letter shall be printed on the plans submitted for building permit(s).
