Dear City Council, (Palo Alto)

When you are in a closed session tomorrow re the brutal beating of Julio Arevalo, I suggest you settle the case ASAP. Do you really want this case to go to a jury? The tape itself of the beat down of Mr. Arevalo is all you really need to know (Res ipsa loquitur).

I'm thinking 10 million dollars would be a good faith starting point re any settlement.

I'm serious -but go ahead Tom & Eric and your buddies on the city council who really believe we have no racist police in Palo Alto-and that Zack Perron is just an aberration. .

Go-ahead -roll the dice -with the taxpayers' money. See what a jury of Mr. Arevalo's peers has to say! It might be very different then a predominantly white upper class and wealthy city council might do! Go figure! I say pay attention to your risk assessment folks-not your egos.

Aram " settle it now" James

P.S. we can talk about the foothills park suit tomorrow. Have a good evening.
