Director's Hearings

Director's hearings may be requested for certain applications that the director, or his/her designee, has issued a tentative decision, such as Individual Review applications. A director's hearing is required for Parcel Map applications.

A decision is not rendered at the public hearing. Rather, the director or designee will consider evidence for and against the application or its modification and prepare a written decision approving, approving with conditions, or denying the project application within fourteen days of the hearing.

Notice of the decision will be mailed to the project applicant, the owners and occupants of all adjacent properties, and any person requesting notice of the decision.

The director's decision shall become final fourteen days after the date notice is mailed unless an appeal is filed. The director may, for good cause, specify in writing a longer period for filing an appeal at the time he or she issues the proposed decision.

The applicant or the owner or occupier of an adjacent property may file an appeal of the director's decision by filing a written request with the City Clerk before the date the director's decision becomes final. The written request shall be accompanied by a fee, as set forth in the municipal fee schedule.

Get Informed and Be Engaged! Show up and speak. Public comment is encouraged. Please complete a speaker request card located on the table at the entrance to the meeting room and deliver it to the hearing officer.
