Summary Title: Ticket to Rock Brief Presentation and Discussion

Title: Guest Speaker Bo Crane Presents 'Ticket to Rock' Booklet Regarding Palo Alto Rock History

From: Jonathan Lait

Recommendation

Staff recommends the Historic Resources Board (HRB) receive the presentation and comment as appropriate.

Background

Recently, staff was contacted by a representative of a famous rock band having Palo Alto origins, who is interested in seeing a recognition via pavement marker or wall signage regarding the location of the band's first meeting in Centennial Alley. Staff also became aware of the new book 'Ticket to Rock' about rock history in Palo Alto, and after discussion with the HRB to confirm interest, staff invited author Bo Crane to come give a presentation regarding the book and its content to the HRB.
