

CONVERSATION ENGAGE PEOPLE EVENT PARTICIPATE ACTION

Join the **On the Table** Community Conversation

Enjoy complimentary coffee and coffee cake at Hobee's* while sharing your input on housing!

The **Palo Alto Human Relations Commission** is facilitating this event as part of a Silicon Valley-wide community conversation called *On the Table*, sponsored by the Silicon Valley Community Foundation. *On the Table* conversations will take place across Santa Clara and San Mateo counties on November 15.

Housing is a key concern here in Palo Alto, and one of our City Council's priorities. We value your insight on this issue.

On the Table is a day of community building through conversations designed to help residents share ideas.

Please join us at Hobee's* so we can hear your voice and better understand the needs of our community.
