Baylands 10.5 Acres	Cribbs LaMere Reckdahl	Daren Anderson	
Baylands Comprehensive Conservation Plan (BCCP)	Moss Reckdahl	Daren Anderson	Horizontal Levee project was discussed with the Baylands subcommittee and several recommendations were made as to how to move forward: The next phase of the project is expected to start in February, after the Coastal Conservancy Board approves a \$500,000 grant for this project. The next phase will include: 1. a relocation of the pilot project in response to permitting challenges identified in the PDR. 2. community workshop on balancing the goals of social infrastructure with habitat enhancement, 3. community workshop to identify ways to involve disadvantaged communities in the project, 4. 60% design, and initial permitting, 5. continuing to monitor SAFER project and San Francisco Phase II. The Horizontal Levee Project will come to the Commission as discussion topic in February.
