PALO ALTO PARKS AND RECREATION COMMISSION AD HOC/LIAISON ASSIGNMENTS			
AD HOC COMMITTEE	**MEMBERS**	**STAFF LIAISON**	**June 2021 Update**
Foothills Nature Preserve	Moss, Greenfield, Olson	Daren Anderson	The Ad Hoc did not meet after last month's PRC where an extensive status report was given to the Commission. But since then, several items were researched including a reservation system, and advice from another potential partner, Santa Cruz Mountains Stewardship Network. We are still aiming for bringing an update in late summer after changes reported in last month's PRC meeting are implemented.
Baylands Tide Gate	Greenfield, Reckdahl	Daren Anderson	The Ad Hoc reviewed Valley Water's plan and PIO in advance of this month's PRC meeting action.
Fund Development CY21	Cribbs, LaMere, Brown	Kristen O'Kane	
CIP Review	Moss, Brown, LaMere	Daren Anderson	CIP subcommittee was asked at the last PRC meeting to wait until later this year and help with next year's CIP's, since this year's CIP's are pretty much set, and we can review them further after the City Council finalizes the budget this month.
Racquet Court Policy	Olson, Reckdahl	Adam Howard	
Dog Park and Restrooms CY21	Brown, Cribbs	Daren Anderson	
New Recreation Opportunities	LaMere, Cribbs, Reckdahl	Kristen O'Kane	
Side Walk Vendor Policy	Brown, Greenfield, Moss	Daren Anderson	The ad hoc immediately met after being created by last month's PRC and touched on every issue raised by the Commission. We agreed to work towards an action as early as the July PRC on some items that only require city manager approval. While others will take longer and need City Council approval. A number of questions were raised for Legal, and staff was going to meet with them this month. Those questions were partly as a result of going through a number of our parks and preserves while discussing when and where might vendors be allowed, and what problems might result. Magical Bridge is the most pressing location thus far.

Community Gardens	Brown	Catherine Bourquin	
Cubberley	Moss	Kristen O'Kane	
Field Users	Greenfield	Adam Howard	Cubberley Turf and Track - work with staff on new guidelines and signage as it continutes, clarifying and refining rules and language. Cricket Cage - staff has agreed to accommodate a batting cage trial for a local cricket club at the Baylands Athletic Center, next to existing baseball batting cages. This will be used for training, and there no expectation this will lead to creating a cricket field. The group will lay down a turf pad over the existing rock base. No PIO is required since the cage is mobile. This temporary location will be re-evaluated in August.
