| Park Improvements | Cribbs Moss | Daren Anderson | A community meeting on 2/10/21 regarding a fenced-in dog park at Ramos park ended with a near unanimous public rejection due to 1) close proximity to Mitchell Park's dog park, 2) concern by near neighbors about noise, smell, inattentive dog owners, desire for grass instead of mulch, and too many dogs for such a small park, and 3) preference for a sanctioned off-leash dog area 4) its proximity to a playing field used by youth sports, and concern by some about the exuberant dogs not staying where they should and not under owner control. | |
