Fifteen years to life? I would Imagine.

Now....let us imagine, if this was a white reserve cop working part time at a bar, and a black man came in and committed the same crime!

That black man would undoubtedly spend the rest of his life in prison.

You probably don't get the point and that's why it's so tragic because, its preventable....

Our judicial system, Is beyond an overhaul... The inequity of Justice on the issue of races should be held in contemp.
