Council Question Response

Dear Mayor and Council Members:

On behalf of City Manager Ed Shikada, please find below the staff responses to inquiries made by Council Member Tanaka in regard to the May 3, 2021 Council Meeting agenda.

Item 4: Approval of Highway 101 Bike Bridge Design Contract Amendment

1. **Given COVID-19 complications and the extension of other construction projects, are there any foreseen delays that might cause the bridge project to extend past the estimated completion of summer 2021?**

Staff does not anticipate delays on this project due to COVID-19 complications. While there has been a delay in scheduling installation of the bridge trusses, the contractor's schedule continues to indicate completion of the project in summer 2021 consistent with contract terms.

Thank you.
