Dear Council, Please make sure our Library is open for the summer. All of us, and especially the kids need this as part of our return to 'normal' and re-engaging in our communities.

Thanks for noting this request,  
Trisha

We were all thankful when you directed the City Manager to reinstate funds and not to impose the budget cuts he had proposed. Now, despite your clear directive he is unilaterally deciding not to reopen the College Terrace library. His reason is there are "staffing issues". Please direct him to use his managerial prowess to reassign staff so the library in College Terrace can be reopened as promised before you take your summer break.

Thank you for consideration.
