Recommended Motion

Staff recommends that Council continue this item to the December 15th public hearing date.

Recommendation

At the November 3rd City Council hearing, when the Comprehensive Plan Update item was discussed, it was recommended that the second discussion and final action be continued to the November 17, 2014 date. Due to not being able to attend the November 17 meeting, a Council Member asked for consideration to have this item rescheduled to another meeting. Given the upcoming meetings schedule, staff is requesting a continuation date of December 15, 2014 when the full Council will be present.
