Report Type: Study Session

Meeting Date: 5/8/2017

Summary Title: City Council and Planning and Transportation Commission Study Session

Title: Joint Study Session of the City Council and Planning and Transportation Commission

From: City Manager

Lead Department: Planning and Community Environment

Recommendation:

Staff recommends that the City Council hold a joint study session with the Planning and Transportation Commission. No action is required as this is a study session.

Discussion:

The City Council and the Planning & Transportation Commission periodically meet in joint session to discuss issues of interest within the purview of the Commission. In advance of tonight's joint session, the Mayor and Vice Mayor meet with the Chair and Vice Chair of the Planning and Transportation Commission to identify the following topics for discussion and estimated discussion timeframe:

- A. Introduction (Mayor Scharff – 5 minutes)
- B. PTC Priorities and Focus in 2017 (Council led discussion – 25 minutes)
- C. PTC Process Improvement Opportunities (Council led discussion – 25 minutes)
- D. Summary and Conclusion (Mayor Scharff – 5 minutes)

Environmental Review:

This discussion is exempt from the California Environmental Quality Act.
