## Inter-Governmental Legislative Affairs

Mayor Scharff reported that there are a number of bills in the State legislature that impact housing and potentially impact local control. He requested Council schedule an agenda item to discuss these bills.

James Keene, City Manager advised that he will work with the Mayor to schedule such an agenda item.

Mayor Scharff supposed that the Association of Bay Area Governments (ABAG) may take a stance of some of these bills.

## Council Member Questions, Comments and Announcements

Council Member DuBois shared his appreciation of Robert De Geus, Peter Jensen, and James Reifschneider for their attendance at the Barron Park Annual Meeting and their presentations regarding Community Services and Police services.

Vice Mayor Kniss reported her attendance at the National League of Cities Congressional City Conference in Washington, D.C. She and several Council colleagues met with the Federal Aviation Administration (FAA). She shared that the Conference is a great opportunity to interact with officials from around the country. She reported a general sense of negativity towards California. She shared her appreciation at having the opportunity to attend the Conference and that there was significant discussion about changes that may be made by the current administration.

Council Member Wolbach announced that he also attended the Conference and encouraged other Council Members to participate in the future. He felt that meeting with the FAA was helpful regarding airplane noise. He shared his hopes that Caltrain electrification funding becomes available, that relief from airplane noise becomes a reality, and that funding for the upstream portions of the San Francisquito Creek project becomes available. He

reported his appointment to the Legislative Action Committee of the California League of Cities, Peninsula Division. This is a new Committee.

Mayor Scharff shared that he attended the Conference and felt it was worthwhile. He felt speaking with Republican Senators that share the City's concerns about potential transportation funding cuts was helpful. He is hopeful that the federal government will support Caltrain electrification.

Vice Mayor Kniss reported that the New York Times recently ran an editorial in support of electrification.

Adjournment: The meeting was adjourned at 10:50 P.M.
