Adoption of a Resolution Declaring Weeds to be a Public Nuisance and Setting January 22, 2018 for a Public Hearing for Objections to Proposed Weed Abatement For the 2018 Weed Abatement Cycle

Recommendation

Staff recommends that Council adopt the attached resolution:

- 1) Declaring weeds to be a public nuisance;
- 2) Setting January 22, 2018 for a public hearing on objections to proposed weed abatement; and
- 3) Directing staff to publish a notice of hearing in accordance with the provisions of the Palo Alto Municipal Code.

Background

On April 18, 1977, the City Council approved an agreement with Santa Clara County for the administration of weed abatement within the City of Palo Alto. This agreement has reduced the City's costs and staff time required for administration of weed abatement. For the past 40 seasons, the weed abatement program has been expeditiously carried out by the County Department of Agriculture and Resource Management with results satisfactory to Palo Alto residents.

Discussion

Palo Alto Municipal Code Chapter 8.08 specifies weed abatement procedures. The chapter requires property owners or occupants to remove certain weeds, as defined in Section 8.08.010 that exist upon their premises, public sidewalks, streets or alleys. It also specifies the procedures to be followed to abate weeds, in the event owners do not remove them. The procedures:

- Resolution of the City Council declaring weeds to be a public nuisance. This resolution sets the time and place for hearing any objections to the proposed weed abatement.
- Public Notice. This notice informs property owners of the passage of the resolution and provides that property owners shall remove weeds from their property, or the abatement will be carried out by Santa Clara County (County). The City then publishes a legal advertisement in the local newspaper announcing the date of the public hearing.
- Public Hearing. The Council must conduct a public hearing, at which time any property owner may appear and object to the proposed weed destruction or removal. After the City Council hearing and considering any objections the Council may allow or overrule any or all objections. If objections are overruled, the County will be asked to perform the work of destruction and removal of weeds. The action taken by the Council at the November 13, 2017 meeting will set this public hearing date for January 22, 2018.

Resource Impact

There is no direct fiscal impact of this action to the City. The City of Palo Alto administers the weed abatement program with the County Department of Agriculture and Resource Management with a minimal amount of staff time. All charges for the weed abatement services are included as a special assessment on bills for taxes levied against the respective lots and parcels of land. Such charges are considered liens on these properties.

The Weed Abatement Program is a cost recovery program and does not receive funding from City or County general funds.

Policy Implications

This procedure is consistent with existing City policies.

Environmental Review

The Santa Clara County Counsel has determined the Weed Abatement Program to be Categorically Exempt from CEQA pursuant to CEQA Guidelines Section 15308.

SECTION 1. Weeds, as defined in Section 8.08.010(b) of the Palo Alto Municipal Code, which are anticipated to develop during calendar year 2018 upon streets, alleys, sidewalks, and parcels of private property within the City of Palo Alto, are hereby found and determined to constitute a public nuisance. Such nuisance is anticipated to exist upon some of the streets, alleys, sidewalks, and parcels of private property within the City, which are shown, described, and delineated on the several maps of the properties in said City which are recorded in the Office of the County Recorder of the County of Santa Clara, reference in each instance for the description of any particular street, alley, or parcel of private property being hereby made to the several maps aforesaid, and, in the event of there being several subdivision maps on which the same lots are shown, reference is hereby made to the latest subdivision map.

SECTION 2. THEREFORE, IT IS ORDERED that the said public nuisance be abated in the manner provided by Chapter 8.08 of the Palo Alto Municipal Code:

IT IS FURTHER ORDERED that the Fire Chief of the City of Palo Alto is directed to give notice of the public hearing in the time, manner and form provided in Chapter 8.08 of the Palo Alto Municipal Code.

SECTION 3.
