Summary Title: Municipal Resources Group Contract Amendment

Title: Approval of Contract Number C18172268 With Municipal Resource Group for Council Appointed Officers Performance Evaluation for a Duration Through June 30, 2019 With the Option to Extend two Additional Years for a Total Not-to-Exceed Amount of \$180,000

From: City Manager

Lead Department: Human Resources

Recommended Motion

Staff recommends that City Council approve Contract C18172268 with Municipal Resources Group (MRG) for Council Appointed Officers (CAO) performance evaluations for contract duration of one year with the option under City Council's direction to extend two additional one-year terms. The contract expenditure for services and expenses is \$60,000 per year for a contract total not-to-exceed \$180,000 when the options to extend are exercised.

Background

On June 15, 2015, Council approved Contract C15159225 with Municipal Resources Group (MRG) to conduct evaluations for the City Manager, City Attorney, City Auditor, and City Clerk. The scope of services authorized MRG to prepare a questionnaire, conduct interviews, prepare reports, facilitate discussions, prepare summaries, and review options for compensation. The recommended motion to approve a contract extension with MRG will allow continuity of services to evaluate the four CAO's performances and have the flexibility to continue services with MRG based on the CAO Committee's and City Council's direction.

Discussion

Performance evaluations are a critical tool for assessing employee performance and ensuring that staff is meeting City Council priorities and objectives. Given that a need exists for objectivity and facilitation as well as the time commitment in meeting with nine City Council members (reducing to seven in January 2019), four CAO's, and the CAO Committee, the use of an outside consultant will increase efficiency.

The City has contracted with MRG to provide CAO performance evaluations for the past three years. Upon adoption of the prior contract in 2015 and based upon a review of the market, the City changed consultants from another firm to MRG. Through the past three years, MRG has worked closely with the CAO Committee and the four CAOs in preparing objective CAO performance evaluations each year. Based on the knowledge and expertise provided by MRG through the past evaluation cycles, MRG is recommended to continue services and continuity as the facilitator of the CAO evaluation process.

For continuity and based upon the excellent services provided by MRG, staff recommends sole-source approval for a new three-year term. The new agreement's annual costs are comparable to the average annual cost of the prior contract for an expense of \$60k per year. The fee per evaluation is pro-rated if a CAO vacancy exists for a portion of the year, or if less than a full evaluation is requested by the City.

Resource Impact

The FY 2019 City Council Budget, to be considered for adoption by the City Council on June 18, 2018, includes funding for the annual review of Council Appointed Officers. This funding is included in the budget for the City Council in future fiscal years subject to the appropriation of funds through the annual budget process.

Environmental Review

This is not a project subject to review under the California Environmental Quality Act ("CEQA").

Project Introduction:

CITY is seeking to engage a consultant working directly for the City Council to facilitate the annual performance evaluations and compensation adjustment process for its four Council appointed officials (CAO’s), City Manager, City Attorney, City Clerk and City Auditor.

Project Background:

The City Manager, City Clerk, City Attorney and City Auditor are appointed directly by the City Council and, as such, are reviewed by the City Council on an annual basis in accordance with their individual employment agreements. Such review is necessary in order for Council members to ensure the efficiency of the appointed offices, to provide general feedback on their performance, to set goals for the coming year, and to identify areas of improvement. It is also necessary to review compensation to ensure that the positions are paid appropriately in comparison to the market and their performances.

Scope of Work:

A. Preparation of Questionnaire:

Working with the Council CAO Committee (four members of the City Council) and the CAO’s, Consultant will prepare a questionnaire to be used for interviews. The questionnaires will be distributed to Council Members to fill out a week in advance of their scheduled interview/meeting with the Consultant. The questionnaires shall be designed to be a tool to summarize Council Members’ estimation of the CAO’s attainment of specific goals, as well as their performance in general areas such as communication; key relationships between the CAO and the Council, staff, public, CITY committees and commissions and other government agencies; as appropriate; specific work priorities such as budget, public relations, program management and employee relations; as well as general comment on the CAO’s performance of their duties.

B. Conduct Interviews, Prepare Report, Facilitate Discussion, Prepare Summary:

CONSULTANT will interview each of the (9) Council Members individually, using the interview questionnaire to gather input and evaluation of CAO performance. CONSULTANT will also interview each CAO to gather their estimation of their performance, achievements and ability to meet their established goals and performance objectives. CONSULTANT will consolidate information from all interviews and prepare a written evaluation/report, which will first be reviewed with the Council CAO Committee and then presented to the entire Council in closed session. After presentation of the evaluation/reports, CONSULTANT will facilitate Council discussion of the results of the interviews and input. CONSULTANT will then facilitate discussion of the evaluation report between each CAO and the Council.

C. Review Options for Compensation:

Prior to conducting the above performance evaluations, the CONSULTANT will research salary survey information and comparisons with salaries in surrounding agencies for each of the CAO positions and review survey results with the CITY's Human Resource Director. The CONSULTANT will use this information to work with the Council CAO Committee on compensation options to be proposed to the Council and CAO's.

After facilitating the performance evaluation meetings with the Council, CONSULTANT will meet with each CAO to de-brief on Council discussion, and to discuss compensation considerations. The Council CAO Committee will make its salary adjustment recommendations to the full Council. The CONSULTANT will be available as a resource at the meeting with the full Council. The CONSULTANT will also be available as a resource for the Council CAO Committee in its negotiations with individual CAO's.
