Recommendation

The Policy and Services Committee and Staff recommend that the City Council approve the status update of Audit Recommendations for the Community Services Department: Fee Schedule Audit.

Discussion

The City Auditor's Office issued an audit of the Community Services Department's fee schedule in 2017, which was subsequently approved by the City Council on April 17, 2017. The Community Services and Administrative Services departments agreed with the Auditor's recommendations and provided a status update to the Policy and Services Committee on June 21, 2018. The Policy and Services Committee approved and unanimously recommended that the City Council accept the Status of Audit Recommendations report presented by the Community Services Department (link below).
