

CITY OF PALO ALTO OFFICE OF THE CITY ATTORNEY

February 10, 2020

The Honorable City Council
Palo Alto, California

Adoption of a Resolution Amending the Administrative Penalty Schedule to add Penalties Related to Planned Community (PC) Ordinance Number 5069/Title 18 (Zoning)

Recommendation

Staff recommends that the City Council adopt the attached resolution to amend and restate the Administrative Penalty Schedule (attachment A) to add penalties for certain violations of Planned Community Ordinance 5069, which regulates the development of the area commonly known as College Terrace Centre.

Background and Discussion

The area commonly known as the College Terrace Centre is subject to [PC Ordinance 5069](#), which set parameters for the site's development. PC 5069 requires that a grocery store shall exist within the development "for the useful life of the improvements" and that the grocery store must "remain in continuous operation," among other requirements.

In 2014, the City and the then-property owner of the College Terrace Centre entered into a restrictive covenant to further describe their mutual understanding of the rights and obligations in PC 5069, and to specify their agreement as to how it would be enforced. The restrictive covenant provided for a penalty of \$2,000 for each day that a grocery store is not in operation within the College Terrace Centre in accordance with the terms of PC 5069. The penalty is subject to an adjustment based on the Consumer Price Index. Council approved this restrictive covenant on December 14, 2015 (Link to [staff report](#) and [minutes](#)). The restrictive covenant was recorded against the property, such that all subsequent property owners have notice of it.

The attached resolution now includes this penalty (as adjusted by the most recent CPI figures) in the City's Administrative Penalty Schedule, which allows the City to assess this penalty through an administrative enforcement proceeding.

Resource Impact

Amendment of the Administrative Penalty Schedule has no impact on staff resources.

Policy Implications

This change confirms and implements the City Council's prior direction and agreement with the then-owner of the subject property and ensures the City's code enforcement officers have the tools they need to enforce the subject PC ordinance.

Environmental Review

Approval of this penalty for violations of the PAMC is not a project subject to review under the California Environmental Quality Act.
