

Oregon Expressway Underpass UPCOMING LANE CLOSURES Work Hours: 10:00 pm to 5:00 am

Dear Caltrain Neighbor,

Repairs are needed to the Railroad bridge which crosses over Oregon Expressway, there will be traffic pattern changes due to construction we wish to make you aware of:

LANE CLOSURES

Starting November 28, 2022, for approximately two weeks (Monday night thru Friday night, no weekend work):

- Southbound lanes closed for approximately 5 nights (to be done first)
- Northbound lanes closed for approximately 5 nights (to be done second)

Work will begin on the night of November 28, 2022, and there will be a closure of the two southbound lanes of Oregon Expressway. A detour will redirect southbound traffic to Churchill Ave. Northbound will continue on Oregon Expressway.

OREGON EXPRESSWAY - SOUTHBOUND MONDAY NOVEMBER 28th - FRIDAY DECEMBER 2nd

On the night of December 05, 2022, there will be a closure of the two northbound lanes of Oregon Expressway. A detour will redirect northbound traffic to Churchill Ave. Southbound traffic will continue on Oregon Expressway.

OREGON EXPRESSWAY - NORTHBOUND MONDAY DECEMBER 5th - FRIDAY DECEMBER 9th

Please note unintended schedule changes do occur, and we thank you in advance for your patience.

City of Palo Alto permit # 22ENC-00177

Construction Activities

Removal of ballast rock and wood substructure. Smaller equipment will be utilized for removal and hauling off. Low decibel generators will be used and smaller hand tools for demolition of old bridge area.

For Any Questions
