

City of Palo Alto

Office of the Mayor and City Council

June 8, 2021

San Francisco Public Utilities Commission
525 Golden Gate Avenue, 13th Floor
San Francisco, CA 94102

Ms. Maxwell,

The Palo Alto City Council requests that the SFPUC produce an appendix for inclusion in Urban Water Management Plans that analyzes the impact on regional water supply of shortening the Design Drought by one year to 7.5 years. Such an appendix would help Palo Alto and other water providers prepare accurate Water Supply Assessments and other planning documents should the SFPUC make such a policy decision regarding the Design Drought in the future.

Respectfully,

Tom DuBois
Mayor

Cc: Michael Carlin, Chief Operating Manager
Palo Alto City Council Members
