

FREE ENERGY EFFICIENCY PROGRAM FOR BUSINESSES:

SAVE ENERGY, SAVE MONEY, IMPROVE INDOOR AIR QUALITY

The City of Palo Alto Utilities is partnering with GridPoint and Lime Energy Services to help small and medium businesses recover from the COVID-19 pandemic through the new Business Advantage Program. Heating and cooling accounts for up to 60% of a business's electric bill. The Business Advantage Program can save you up to 10% of these costs. The program offers GridPoint's Energy Management Solution (EMS); a combination of hardware and software that can assist with energy reduction, cost savings, and improved indoor air quality.

Benefit from the Business Advantage Program in 5 simple steps:

1. Pre-qualify your site in 5 minutes
2. Complete a virtual site inspection
3. Schedule your free installation
 - Smart thermostats
 - Controller
 - Zone temperature sensors (if required)
 - Cloud based energy management portal
 - MERV-13 air filter
4. Access your GridPoint Energy Manager mobile app
5. Start saving on your energy bills from day 1!
