### Notes:

- 1 - Performance defined as activity onstage with a live audience present. Performance package includes one performance block of up to four hours time.*
- 2 - Production is defined as videography of onstage activity without a live audience, or similar usage.*
- 3 - All other building use falls under this category, including all rehearsals, load-in, and restore days.*
- 4 - Dark day is defined as no activity in the building. This is so clients may leave their setup in place between rental days. Peak days are not available to be booked as Dark Days.*
- 5 - To qualify for non-profit rates, groups must provide documentation of federal tax exempt status when facility use application is filed. This discount replaces the CSD non-profit discount.*
- 6 - Off-peak days for the Cubberley Theatre are Monday through Thursday.*
- 7 - Half days are defined as rentals of 5 or less hours either concluding before 2:00pm or starting after 4:00pm, or rentals of 5 hours or less booked before or after an existing rental on the same day.*
