For parties with children aged between 3 and 5 years old, the maximum party size is 12 children. For parties with children in kindergarten and up, the maximum party size is 25 children (15 for Ooey Gooley Science Party). See pricing table below for more details.

Topics: We offer the following five topics for our Science Birthday Parties:

Ooey Gooley Science Party

Explore the ooey gooley sensory fun of making slippery, slimy substances and mysterious concoctions that defy the laws of physics. Dress to make a mess!

***Please note: for the Ooey Gooley Science Party, maximum party size for kinders & up is 15 children, including birthday child and siblings.**

Super Kinetics Party

Discover the fun in physics & chemistry, and learn how to shake things up with science!

Zoo Animal Party

At this Zoo animal extravaganza, you'll be able to see, touch, and even smell many of the animals from our zoo.

Dinosaur Party

Explore real dinosaur artifacts, meet living dinosaur descendants, and learn what makes these prehistoric creatures so amazing. Create your own dinosaur to take home!

Baylands Party at the Palo Alto Baylands (subject to availability)

Explore the Palo Alto Baylands with a seasoned naturalist and discover the unique plants, animals and ecology of this local salt marsh environment. This party takes place at the Lucy Evans Baylands Nature Interpretive Center, and includes time in the field, time in the lab and free time in the Nature Center.
