2 SELECT TYPE OF PROJECT:

SMALL CONSTRUCTION PROJECT (SCP)

- For Residential projects: any single-family, multi-family, senior, student, or other residential construction, renovation, or remodel project consisting of 10 units or less. This SCP Protocol does not apply to construction projects where a person is performing construction on their current residence either alone or solely with members of their own household.
- For Commercial projects: any construction, renovation, or tenant improvement project consisting of 20,000 square feet of floor area or less.
- For Mixed-Use projects: any project that meets both Residential and Commercial specifications above.

LARGE CONSTRUCTION PROJECT (LCP)

- For Residential projects: any single-family, multi-family, senior, student, or other residential construction, renovation, or remodel project consisting of more than 10 units.
- For commercial projects: any construction, renovation, or tenant improvement project consisting of more than 20,000 square feet of floor area.
- For construction of Essential Infrastructure: any project that requires five or more workers at the jobsite at any one time.

3 Safety Compliance Officer (SCO).....

Jobsite Safety Accountability Supervisor (JSAS) [for LCP only]

Company.....Address

Email..... Phone..... OSHA-30 Cert #:

I have read and will comply with all COVID-19 protocols issued by the County of Santa Clara and agree a building inspection may be cancelled due to the jobsite being out of compliance with all COVID-19 protocols.

I understand the SCO is required to compile a daily written verification that the jobsite is compliant with the components of the SCP or LCP protocols. All written verification forms shall be available upon request prior.

I understand the SCO shall maintain a Daily Attendance of all workers and visitors including name, address, phone number and email address. The Daily Attendance Log shall be available upon request.
