## Executive Summary

### AP-05 Executive Summary - 91.200(c), 91.220(b)

#### Introduction

The City of Palo Alto (City) Fiscal Year (FY) 2022-23 One Year Action Plan contains the City's one-year plan to carry out housing and community development activities funded by Federal formula grant funds received from the U.S. Department of Housing and Urban Development (HUD), Community Development Block Grant (CDBG) program. This Action Plan covers the third of five program years covered by the City's 2020-2025 Consolidated Plan which was adopted by the Palo Alto City Council on June 15, 2020.

The Department of Planning and Development Services is the lead agency for the Consolidated Plan and submits the Annual Action Plan for the City's CDBG program.

HUD requires entitlement jurisdictions to submit an Annual Action Plan to report the distribution of federal entitlement grant funds over the Consolidated Plan's five-year period identifying how funding allocations help meet the goals covered in the Consolidated Plan.

Since the draft of this Annual Action Plan for FY2022-2023, the CDBG federal appropriations for FY2022-2023 have not yet been determined by HUD. For budgeting purposes, staff estimated the City's HUD Entitlement Grant for FY2022-2023 based on a 10% reduction from the FY2021-2022 entitlement grant. The estimated total amount available for allocation in FY2022-2023 is \$665,459, which includes the entitlement grant, program income, and previous year's resources. A total of \$665,459 is available for funding projects and programs during the 2022 Program Year.

The City's Action Plan covers the time period from July 1, 2022, to June 30, 2023, (HUD Program Year 2022). The City's FY 2022-23 Action Plan reports on the status of needs and outcomes the City expects to achieve in the coming year. All of the activities mentioned in this Action Plan are based on current priorities. By addressing these priorities, the City hopes to meet those objectives stated in the 2020-2025 Consolidated Plan. All the proposed projects and activities are intended to principally benefit residents of the City who have extremely low-, low- and moderate-income, and populations that have special needs, such as the elderly, disabled, and homeless.

#### Summary of the objectives and outcomes identified in the Plan

The City is part of the San Francisco Metropolitan Bay Area, located 35 miles south of San Francisco and 14 miles north of San José. The City is located within the County of Santa Clara, borders San Mateo County, and encompasses an area of approximately 26 square miles, one-third of which consists of open space<sup>1</sup>.

<sup>1</sup> U.S. Census Bureau:  
<https://www.census.gov/quickfacts/fact/table/paloaltocity>

According to Quick facts data provided by the U.S. Census Bureau<sup>1</sup>, the City's total resident population is 68,572, per the Census on April 1, 2020. The City has the most educated residents in the country and is one of the most expensive cities to live in. In Silicon Valley, the City is considered a central economic focal point and is home to over 9,483 businesses.

The Action Plan provides a summary of how the City will utilize its CDBG allocation to meet the needs of the City's lower income population. According to the U.S. census data, 6.1% of all residents within the City had incomes below the federal poverty level.

Additionally, according to the 2019 Point in Time Homeless Census<sup>2</sup>, there are 299 unsheltered homeless individuals living within the City of Palo Alto. This number represents an increase of 17% from the 256 individuals that were counted in 2017.

As mentioned previously, an estimated total of \$665,459 is available for funding projects and programs during FY2022-23. In FY 2021-22 the City received \$528,961 from the federal CDBG program, approximately \$136,049 in program income and \$73,910 in reallocated funds from previous years. Table 1, "Fiscal Year 2022 CDBG Budget" below summarizes the uses of the funds proposed during FY 2022-23.

### **Evaluation of past performance**

This is an evaluation of past performance that helped lead the grantee (the City) to choose its goals or projects.

The City is responsible for ensuring compliance with all rules and regulations associated with the CDBG entitlement grant program. The City's Annual Action Plans and Consolidated Annual Performance and Evaluation Reports (CAPER) have provided many details about the goals, projects and programs completed by the City. A review of past CAPERs reveals a strong record of performance in the use of CDBG funds. For example, during the 2015-2020 Consolidated Plan period, 244 affordable rental units were rehabilitated, 130 jobs were created or retained, and nearly 2,600 households were assisted through public service activities for low- and moderate-income housing.

The City evaluates the performance of subrecipients on a semiannual basis. Subrecipients are required to submit semiannual progress reports, which include client data, performance objectives, as well as data on outcome measures. Prior to the start of the program year, program objectives are developed collaboratively by the subrecipient and the City, ensuring that they are aligned with the City's overall goals and strategies. The City utilizes the semiannual reports to review progress towards annual goals.

### **Summary of citizen participation process and consultation process**

The City solicited input throughout the development of the FY 2022-23 Annual Action Plan. As required by HUD, the City provides multiple opportunities for public review and comment on the Action Plan and on any substantial amendments to it. Per the City's adopted Citizen Participation Plan, the City held a 30-day public review comment period for the Action Plan. The City published notifications of upcoming public hearings and the 30-day public review comment period in a local newspaper of general circulation, on the City's CDBG webpage and via email blasts to stake holders. The City held two advertised public hearings on March 10, 2022, and May 2, 2022. The Action Plan 30-day public review period occurred from April 2, 2022, through May 2, 2022.

### **Summary of public comments** *[To be updated after close of comment period]*

There were no public comments received during the public review period.

**Summary of comments or views not accepted and the reasons for not accepting them** *[To be updated after close of comment period]*

There were no public comments received during the public review period. The City accepts and responds to all comments that are submitted. As mentioned above, no public comments were received regarding the FY2022-23 Action Plan.

**Table 2: Responsible Agencies**

Agency Role	Name	Department/Agency
CDBG Administrator	Palo Alto	City of Palo Alto: Department of Planning and Development Services

#### Narrative

The City is the Lead and Responsible Agency for the United States Department of Housing and Urban Development's (HUD) entitlement programs in Palo Alto. The Department of Planning and Development Services is responsible for administering the City's CDBG program. The City joined the HOME Consortium in 2015 and receives federal HOME Investment Partnership (HOME) funds through the County.

Entitlement jurisdictions receive entitlement funding (i.e., non-competitive, formula funds) from HUD. HUD requires the City to submit a five-year Consolidated Plan and Annual Action Plan to HUD listing priorities and strategies for the use of its federal funds.

The Consolidated Plan helps local jurisdictions to assess their affordable housing and community development needs and market conditions to meet the housing and community development needs of its populations. As a part of the Consolidated Plan process for 2020-2025, the City collaborated with the County of Santa Clara (County) as the Urban County representing the cities of Campbell, Los Altos, Los Altos Hills, Los Gatos, Monte Sereno, Morgan Hill, and Saratoga; the cities of Cupertino, Gilroy, Mountain View, Sunnyvale, San José, and Santa Clara; and the Santa Clara County Housing Authority (SCCHA) to identify and prioritize housing and community development needs across the region, and to develop strategies to meet those needs. The FY 2022-23 Annual Action Plan represents the third year of CDBG funding of the 2020-2025 Consolidated Plan.

## **AP-10 Consultation - 91.100, 91.110, 91.200(b), 91.300(b), 91.215(l) and 91.315(l)**

### **Introduction**

The Action Plan is a one-year plan which describes the eligible programs, projects, and activities to be undertaken with funds expected during FY 2022-23 and their relationship to the priority housing, homeless and community development needs outlined in the 2020-25 Consolidated Plan.

**Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health, and service agencies (91.215(l)).**

During Fiscal Year 2022-23, the City will continue to work with non-profit organizations to provide programs and services for low-income households; private industry, including financial and housing development groups, to encourage the development of affordable housing opportunities regionally and within the City; and other local jurisdictions, including the County of Santa Clara, in carrying out and monitoring regional projects in a coordinated and cost-effective manner. The City will provide technical assistance to the public service agencies it funds with CDBG dollars and will continue to attend the biweekly Regional CDBG/Housing Coordinators meetings.

**Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness**

The Santa Clara County Office of Supportive Housing is the administrator of the regional Continuum of Care (CoC). The City's Office of Human Services Manager is in contact with the Santa Clara County Office of Supportive Housing and Destination Home regarding issues of homelessness in the community. The Santa Clara County CoC is a group comprising of stakeholders throughout the County, including governmental agencies, homeless service and shelter providers, homeless population, housing advocates, affordable housing developers, and various private parties, including businesses and foundations.

City staff attend a bi-weekly CDBG/Housing Coordinator meeting. Members of the CoC meet monthly to plan CoC programs, identify gaps in homeless services, establish funding priorities, and pursue a systematic approach to addressing homelessness.

The CoC is governed by the CoC Board, which takes a systems-change approach to preventing and ending homelessness. This same CoC Board is comprised of the same individuals who serve on the Destination: Home (Destination Home) Leadership Board. Destination Home is a public-

private partnership that is committed to collective impact strategies to end chronic homelessness.

Regional efforts of the CoC include the development of The Community Plan to End Homelessness, which identifies strategies to address the needs of people experiencing homelessness in the County, including chronically homeless individuals and families, families with children, veterans, and unaccompanied youth. The plan also addresses the needs of persons at risk of homelessness. The new community plan to end homelessness can be viewed at <https://destinationhomesv.org/community-plan>.

Also, during the development of the 2020-25 Consolidated Plan, the City consulted both the CoC and County Office of Supportive Housing for their expertise and experience for identifying community needs.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards and evaluate outcomes, and develop funding, policies, and procedures for the administration of HMIS**

The City is not an ESG entitlement jurisdiction and therefore does not receive ESG funds. However, the City does administer federal grant programs that help homeless and low-income families in Santa Clara County. The City also helps fund and conduct the Point in Time (PIT) count, the biennial regional collaborative effort to count and survey people experiencing homelessness. The latest count and survey were conducted on February 24, 2022. The data from the 2022 County of Santa Clara PIT count is used to plan, fund, and implement actions for reducing chronic homelessness and circumstances that bring about homelessness.

The Santa Clara County Office of Supportive Services takes the role of Homeless Management Information System (HMIS) administration. The County, and its consultant Bitfocus, work jointly to operate and oversee HMIS. Both software and HMIS system administration are now provided by Bitfocus. Funding for HMIS in Santa Clara County comes from HUD, the County of Santa Clara, and the City of San Jose. The County's HMIS is used by many City service providers across the region to record information and report outcomes.

**Describe Agencies, groups, organizations, and others who participated in the process and describe the jurisdictions consultations with housing, social service agencies and other entities**

Summarize citizen participation process and how it impacted goal-setting**

The Planning and Development Services Department is the lead agency for overseeing the development of the Consolidated Plan and Action Plan. Per the City's adopted Citizen Participation Plan, the City is to allow a 30-day public review and comment period for the Action Plan. The City has published notifications of upcoming public hearings and the 30-day public review comment period in the local newspaper of general circulation, on its CDBG webpage and via email blasts. The City held two advertised public hearings on March 10, 2022, and May 2, 2022. The Action Plan 30-day public review comment period occurred from April 1, 2022, through April 30, 2022. The City has not received any public comments to-date.

## Expected Resources

### AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

#### Introduction

In FY2022-23, the City will allocate \$665,459 to eligible activities that address the needs identified in the Consolidated Plan. It should be noted that while the HUD CDBG allocations are critical, the allocations are not sufficient to overcome barriers and address all needs that low- income individuals and families face in attaining self-sufficiency. The City will continue to leverage additional resources as described below to provide support and services to the populations in need within the community. The following section discusses the anticipated resources available for community development activities during the next remaining three years of the City's 5-Year Consolidated Plan.

#### Anticipated Resources

**Table 6: Expected Resources FY2022-23 – Priority Table**

Source of Funds	Uses of Funds	Expected Amount Available Year 2				Narrative Description
		Program: CDBG				
		Annual \$	Program Income: \$	Prior Year: \$	Total: \$	
Public - Federal	Admin and Planning Economic Development Housing Public Improvement Public Services	483,080	126,000	56,379	665,459	CDBG funds will be used for the creation and preservation of affordable rental units, improvements in lower income neighborhoods, and public services that benefit low income and special needs households

**Explain how federal funds will leverage those additional resources (private, state, and local funds), including a description of how matching requirements will be satisfied**

Entitlement Funds

Leverage, in the context of the CDBG and HOME Investment Partnerships Program (HOME), means bringing other local, state, and federal financial resources to maximize the reach and impact of the City's HUD Programs. HUD, like many other federal agencies, encourages the recipients of federal monies to demonstrate that efforts are being made to strategically leverage additional funds in order to achieve greater results.

The City joined the Santa Clara County's HOME Consortium in 2015 and does not receive federal HOME funds on an entitlement basis from HUD. The HOME Consortia consists of the cities of Cupertino, Gilroy, Palo Alto, and the Urban County. HOME funds can be used to fund eligible affordable housing projects for acquisition, construction, and rehabilitation. Starting in FY 2015-16 developers of affordable housing projects were eligible to competitively apply through an annual RFP process directly to the County for HOME funds to help subsidize affordable housing projects in Palo Alto. Applications will be directly submitted through the County's request for proposal process for available HOME funds. Certain nonprofit organizations known as Community Housing Development Organizations (CHDOs) may also apply for funding from State HCD for housing projects located within Palo Alto. The City received one HOME grant from 1992 HOME funding for the Barker Hotel project. Proceeds from HOME loan repayments must be deposited into a HOME Program Income Fund and used in accordance with the HOME program regulations.

In addition, the County will only fund a project that has the local support of the City. If the City receives HOME dollars from its participation in the HOME consortium, the required 25% matching funds will be provided from the City's Affordable Housing Fund, which is comprised of two sub-funds: The Commercial Housing Fund and the Residential Housing Fund. To date, no projects within the City have been funded through the HOME Consortium. Moving forward, the City plans to increase outreach to developers in the City to provide additional information on the HOME Consortium and available funding.

Other State and Federal Grant Programs

In addition to the CDBG entitlement dollars, the federal government has several other funding programs for community development and affordable housing activities. These include Section 8 Housing Choice Voucher Program, Section 202, Section 811, the Federal Home Loan Bank Affordable Housing Program (AHP), and others. It should be noted that in most cases the City would not be the applicant for these funding sources as many of these programs offer assistance to affordable housing developers rather than local jurisdictions.

The State of California has recently passed approximately 20 bills with the intent of increasing or preserving affordable housing with the State. According to the Governor's State of the State

address, bills that help increase housing production, both market-rate and affordable, will be a priority in 2020. The City will continue to track and look for opportunities to leverage State resources for the City.

#### Local Housing and Community Development Sources

Other local resources that support housing and community development programs include:

- Palo Alto Commercial Housing Fund, which is for the development of below market rate (BMR) housing units and paid by mitigation fees on commercial and industrial projects; and
- Palo Alto Residential Housing Fund, which is for the development of below market rate (BMR) housing units and paid by miscellaneous funding sources.

The City will continue to seek opportunities for projects that meet local bond requirements in order to bring additional resources to help the City's affordable housing shortage.

#### **If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan**

The City has no surplus public land. However, in 2019, the Governor Newsome signed Executive Order N-06-19 that ordered the California Department of General Services (DGS) and the California Department of Housing and Community Development (HCD) to identify and prioritize excess state-owned property and aggressively pursue sustainable, innovative, cost-effective housing projects. There is no excess state property in the City of Palo Alto.

## AP-35 Projects - 91.420, 91.220(d)

### Introduction

The Consolidated Plan goals below represent high priority needs for the City of Palo Alto (City) and serve as the basis for the strategic actions the City will use to meet these needs. The goals, listed in no particular order, are:

1. Assist in the creation and preservation of affordable housing for low income and special needs households.
2. Support activities to end homelessness.
3. Support activities that strengthen neighborhoods through the provision of community services and public improvements to benefit low income and special needs households.
4. Promote fair housing choice.
5. Expand economic opportunities for low-income households.

### Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City awards CDBG funding to projects and programs that will primarily benefit low-income, homeless, and special needs households. The City operates on a two-year grant funding cycle for CDBG public service grants and a one-year cycle for CDBG capital housing rehabilitation and public facilities and improvement projects. Projects are only considered for funding within the Consolidated Plan period if they address the goals discussed above.

## **AP-75 Barriers to affordable housing -91.420, 91.220(j)**

### **Introduction**

The incorporated and unincorporated jurisdictions within the County face barriers to affordable housing that are common throughout the Bay Area. High on the list of market barriers is the lack of developable land, which increases the cost of available lands and increases housing development costs. Local opposition is another common obstacle as many neighbors have strong reactions to infill and affordable housing developments. Their opposition is often based on misconceptions, such as a perceived increase in crime; erosion of property values; increase in parking and traffic congestion; and overwhelmed schools. However, to ensure a healthy economy the region must focus on strategies and investment that provide housing for much of the region's workforce – for example, sales clerks, secretaries, waiters, baristas, teachers, and health service workers – whose incomes significantly limit their housing choices.

It should be noted that in a constrained housing supply market, when housing developments produce housing that is relatively affordable, higher income buyers and renters generally outbid lower income households. A home's final sale or rental price will typically exceed the projected sales or rental costs. Public subsidies are often needed to guarantee affordable homes for low- and moderate-income households.

**Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment**

Palo Alto is addressing the barriers to affordable housing through:

- **Density Bonus Ordinance:** The City recently updated its Density Bonus ordinance which lowered the eligibility requirements to qualify for a higher density bonus percentage up to 80% as well as providing more exceptions to applicable zoning and development standards. One significant update is if a 100% affordable development is located within a half a mile of a major transit stop, the City cannot impose any density limits and entitled to a maximum height increase of three additional stories or 33 feet.
- **Below Market Rate (BMR) Housing Program:** Established in 1974, the City's BMR requires developers to provide a certain percentage of units as BMR in every approved project of three units or more. The program originally required that for developments on sites of less than five acres, the developer must provide 15 percent of the total housing units as BMR housing units. If the site was larger than five acres, the developer was required to provide 20 percent of the units as BMR housing. The City of Palo Alto have historically used in-lieu fees and the use of development impact fees charged on new, market-rate housing and/or commercial development to finance 100% affordable developments. The City updated its Commercial and Residential Impact Fee Nexus Studies

and adopted two ordinances to make changes to its BMR program and adopted a new fee structure. The ordinances became effective on June 19, 2017.

- **Fair Housing:** The City provides funding to Project Sentinel. Project Sentinel provides expertise in fair housing law and tenant-landlord disputes. Services include information, referrals, community outreach and education. In addition, Project Sentinel resolve fair housing complaints via investigation, mediation, education and outreach to both property owners and tenants about fair housing policies.
- **Housing Incentive Program (HIP):** Effective May 2, 2019, this Ordinance adopted changes to the following zoning districts: Citywide – where multifamily uses are permitted, Multifamily Residential Districts (RM), Downtown (CD-C), California Avenue (CC ((2))), and El Camino Real (CS and CN).
- **Affordable Housing (AH) Combining District:** In 2018, The City Council adopted the Affordable Housing Combining District to provide flexible development standards beyond the State Density Bonus Law to allow 100% affordable housing projects located in a commercial zoned area.
- **Workforce Housing (WH) Combining District:** The City Council also adopted in 2018 the Workforce Housing Combining District to encourage the development of housing within half-mile of major fixed rail transit by modifying flexible development standards for the public facilities (PF) zoning district.

## Discussion

Please see above.

## **AP-85 Other Actions - 91.420, 91.220(k)**

### **Introduction**

This section discusses the City's efforts in addressing the underserved needs, expanding, and preserving affordable housing, reducing lead-based paint hazards, and developing institutional structure for delivering housing and community development activities.

### **Actions planned to address obstacles to meeting underserved needs**

The diminishing amount of funds continues to be the most significant obstacle to addressing the needs of underserved populations. To address this, the City supplements its CDBG funding with other resources and funds, such as:

- In FY2020-21, The City's Human Service Resource Allocation Process (HSRAP) provided \$549,306 from the General Fund in support of human services. The HSRAP funds, in conjunction with the CDBG public service funds, are distributed to local non-profit agencies. Additionally, approximately \$50,000 was provided to nonprofit organizations serving Palo Alto residents with short-term and/or urgent funding to address emergency, critical or emerging human services needs through the Emerging Needs Fund.
- The Palo Alto Commercial Housing Fund is funded with mitigation fees provided under Palo Alto's BMR housing program from developers of commercial and industrial projects and used to assist new housing development or the acquisition, rehabilitation, or the preservation of existing housing for affordable housing
- The Palo Alto Residential Housing Fund is funded with mitigation fees provided under Palo Alto's BMR housing program from residential developers and money from other miscellaneous sources, such as proceeds from the sale or lease of City property. The Residential Housing Fund is used to assist new housing development or the acquisition, rehabilitation, or the preservation of existing housing for affordable housing.
- The City's Below Market Rate Emergency Fund was authorized in 2002 to provide funding on an ongoing basis for loans to BMR owners for special assessment loans and for rehabilitation and preservation of the City's stock of BMR ownership units.
- HOME Program funds are available on an annual competitive basis through the State of California HOME program, and the County's HOME Consortium.
- The Housing Authority of the County of Santa Clara (HACSC) administers the federal Section 8 program countywide. The program provides rental subsidies and develops affordable housing for low-income households, seniors and persons with disabilities living within the County.

### **Actions planned to foster and maintain affordable housing**

The City will foster and maintain affordable housing by continuing the following programs and ordinances:

- The Below Market Rate Emergency Fund which provides funding on an ongoing basis for loans to BMR owners for special assessment loans and for rehabilitation and preservation of the City's stock of BMR ownership units.

- The Commercial Housing Fund and Residential Housing Fund are used to assist new housing development or the acquisition, rehabilitation, or the preservation of existing housing for affordable housing.
- The Density Bonus Ordinance adopted by the City Council in January 2014. The density bonus regulations allow for bonuses of 20 to 35 percent, depending on the amount and type of affordable housing provided.
- The City's participation in the County's HOME Consortium will allow developers of affordable housing projects to be eligible to competitively apply through an annual RFP process directly to the County for HOME funds to help subsidize affordable housing projects in Palo Alto, including acquisition, construction, and rehabilitation.

#### **Actions planned to reduce lead-based paint hazards**

The City's housing and CDBG staff provides information and referral to property owners, developers, and non-profit organizations rehabilitating older housing about lead-based paint (LBP) hazards. Any house to be rehabilitated with City financial assistance is required to be inspected for the existence of LBP and LBP hazards. The City will provide financial assistance for the abatement of LBP hazards in units rehabilitated with City funding. The City also requires that contractors are trained and certified in an effort to decrease the risk of potential use of LBP in new units. All development and rehabilitation projects must be evaluated according to HUD's Lead Safe Housing Rule 24CFR Part 35.

#### **Actions planned to reduce the number of poverty-level families**

The City, in its continuing effort to reduce poverty, will prioritize funding agencies that provide direct assistance to the homeless and those in danger of becoming homeless. In FY 2022-2023, these programs will include the following:

- LifeMoves provides basic necessities for persons who are homeless or at risk of becoming homeless. The Opportunity Services Center is a comprehensive, one-stop, multi-service, day drop-in center that provides critical services for homeless Palo Alto residents. Specifically, the facility provides showers, laundry, clothing, snacks, case management, and shelter/housing referral services.
- Alta Housing will provide counseling and supportive case management services for low-income residents of single-room occupancy facilities to help them maintain housing stability. Activities include financial counseling, health maintenance, information and referral, problem solving, employment assistance, crisis intervention, and case management.
- Downtown Streets Team works to reduce homelessness through a "work first" model. Downtown Streets Team uses its community connections to provide training and job opportunities to homeless people, specifically in the downtown area.

#### **Actions planned to develop institutional structure**

The City is striving to improve intergovernmental and private sector cooperation to synergize efforts and resources and develop new revenues for community service needs and the production of affordable housing. Collaborative efforts include:

- Regular bi-weekly meetings between entitlement jurisdictions at the CDBG Coordinators Meeting and Regional Housing Working Group.
- Joint jurisdiction Request for Proposals and project review committees.
- Coordination on project management for projects funded by multiple jurisdictions.
- HOME Consortium meetings between member jurisdictions for affordable housing projects.

**Actions planned to enhance coordination between public and private housing and social service agencies**

The City benefits from a strong jurisdiction and region-wide network of housing and community development partners, such as the County and the Continuum of Care. To improve intergovernmental and private sector cooperation, the City will continue to participate with other local jurisdictions and developers in sharing information and resources.

In addition to the actions listed above, the City will continue to coordinate with the City's human services funding efforts to comprehensively address community needs.

# Chris Wallace exits Fox News for CNN

Veteran anchor Chris Wallace has left Fox News after 18 years for CNN, dealing a significant blow to Fox's news operation at a time that it has been overshadowed by the network's

opinion side.

WALLACE

Wallace, 74, delivered the surprising news that he was leaving at the end of the "Fox News Sunday" show he moderates, and within two hours CNN announced he was joining its new streaming service as an anchor. CNN+ is expected to debut in early 2022.

"It is the last time, and I say this with real sadness, we will meet like this," Wallace said on his show, which airs on the Fox broadcast network and is later rerun on Fox News Channel. "Eighteen years ago, the bosses here

at Fox promised me they would never interfere with a guest I booked or a question I asked. And they kept that promise."

Wallace was a veteran broadcast network newsmen, working at both ABC and NBC News, before the late Roger Ailes lured him to Fox with the promise of his own Sunday show. Methodical and never showy — in contrast to his father Mike, the legendary "60 Minutes" reporter — Chris Wallace was known for his willingness to ask hard questions of all guests no matter their politics.

He was the first Fox News personality to moderate a presidential debate, doing it in 2016 and 2020. The debate he moderated last year went off the rails when then-President Trump repeatedly interrupted Democratic challenger Joe Biden.

### NOTICE TO BIDDERS / INVITATION TO BID

Notice is hereby given that the governing board ("Board") of the Mountain View Whisman School District ("District") will receive sealed bids for the following project:

**SITEWORK FOR PARK RESTROOMS AT VARIOUS SITES** (Project) or "Contract"

Sealed bids will be received until 2:00 p.m., March 22, 2022, at the District Office, located at 1400 Monarch Avenue, Mountain View, California 94043, at or after which time the bids will be opened and publicly read aloud. Any claim by a bidder of error in its bid must be made in compliance with section 5100 et seq. of the Public Contract Code. Any bid that is submitted after this time shall be non-responsive and returned to the bidder.

The Project consists of:

Sitework preparation for a 248 sq. ft. pre-manufactured public restroom (installed by others), includes foundation, sitework and utility connection at three (3) sites;  
Imai Elementary School, Landale Elementary School & Castro/Mirval Elementary School

All bids shall be on the form provided by the District. Each bid must conform and be responsive to all pertinent Contract Documents, including, but not limited to, the Instructions to Bidders.

To bid on this Project, the bidder is required to possess one or more of the following types of California Contractor Licenses:

A - General Engineering or B - General Building

The bidder's license(s) must be active and in good standing at the time of the bid opening and must remain so throughout the term of the Contract.

As security for its bid, each bidder shall provide with its bid form:  
- a bid bond issued by an admitted surety insurer on the form provided by the District,  
- cash, or  
- a cashier's check or a certified check, drawn to the order of the Mountain View Whisman School District.

In the amount of ten percent (10%) of the total bid price. This bid security shall be a guarantee that the bidder shall, within seven (7) calendar days after the date of the Notice of Award, enter into a contract with the District for the performance of the services as stipulated in the bid.

The successful bidder shall be required to furnish a 100% Performance Bond and a 100% Payment Bond if it is awarded the contract for the Project.

The successful bidder may substitute securities for any monies withheld by the District to ensure performance under the Contract, in accordance with the provisions of section 22300 of the Public Contract Code.

The successful bidder and its subcontractors shall pay all workers on the Project not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the Department of Industrial Relations, State of California, for the type of work performed and the locality in which the work is to be performed within the boundaries of the District, pursuant to sections 1770 et seq. of the California Labor Code. Prevailing wage rates are on file with the District and are available to any interested party on request or at [www.dir.ca.gov/oprlivesite/and\\_database.html](http://www.dir.ca.gov/oprlivesite/and_database.html). Bidders and subcontractors shall comply with the registration and qualification requirements pursuant to sections 1725.5 and 1771.1 of the California Labor Code.

A mandatory pre-bid conference and site visit will be held on March 8, 2022, at 2:00 p.m. beginning at 115 West Dana Street, Mountain View, California 94041. All participants are required to sign in at the Administration Building. The site visit is expected to take approximately (30) minutes.

Contract Documents are available on Tuesday, February 24, 2022, for review at the District Facilities Office. Or you can contact Brenda Peralta-Greyson at [brenda@greysonwest.com](mailto:brenda@greysonwest.com) for an electronic set of plans and a list of the bidders' exchanges.

The District's Board reserves the right to reject any and all bids and/or waive any irregularity in any bid received. If the District awards the Contract, the security of unsuccessful bidder(s) shall be returned within sixty (60) days from the time the award is made. Unless otherwise required by law, no bidder may withdraw its bid for ninety (90) days after the date of the bid opening.

The District shall award the Contract, if it awards it at all, to the lowest responsive responsible bidder based on: The base bid amount only.

# Burke to divorce

Cheryl Burke, a professional dancer on "Dancing With the Stars" who used to live in Atherton, has filed for divorce from actor Matthew Lawrence after being married for nearly three years, the New York Post reported yesterday.

Burke, who graduated from Menlo-Atherton High, filed to divorce the "Boy Meets World" actor on Friday, citing "irreconcilable differences." Burke, 37, and Lawrence, 42, met through Lawrence's brother, Joey, when he was a contestant on "DWTS" in 2006.

is in talks to leave President Biden's administration to become a host on a cable news network.

Praki, who is expected to leave the White House this year, is being "feverishly courted" by both CNN and MSNBC, which trail Fox News in ratings, Dylan Byers, a correspondent at Puck, reported yesterday. CNN interim co-president Amy Entelis and CNN+ programming lead Rebecca Kutler reportedly went to Washington to recruit Praki, while NBC News Chairman Cesar Conde and MSNBC President Rashida Jones went to D.C. in the hopes that Praki "might one day join their networks in a flagship role, and perhaps even take the top spot in primetime on MSNBC."

Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

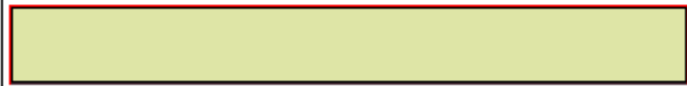

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

**NOTE:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1688), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-648) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

## **CERTIFICATIONS**

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

**Affirmatively Further Fair Housing** --The jurisdiction will affirmatively further fair housing.

**Uniform Relocation Act and Anti-displacement and Relocation Plan** -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

**Anti-Lobbying** --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

**Authority of Jurisdiction** --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

**Consistency with plan** --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

**Section 3** -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

## **Specific Community Development Block Grant Certifications**

The Entitlement Community certifies that:

**Citizen Participation** -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan** -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

**Following a Plan** -- It is following a current consolidated plan that has been approved by HUD.

**Use of Funds** -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) \_\_\_\_\_ [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

**Excessive Force** -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

**Compliance with Anti-discrimination laws** -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

**Lead-Based Paint** -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

**Compliance with Laws** -- It will comply with applicable laws.

**OPTIONAL Community Development Block Grant Certification**

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities which are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.
